

Dear Panther Community,

On behalf of Pike-Delta-York Schools' students, staff, and Board of Education, I want to extend a heartfelt thank you to our entire community for your continued support and for passing our 1.25% earned income tax. Your trust in us, both with your tax dollars and, more importantly, with your children, is something we value deeply. We don't take that responsibility lightly, and we remain committed to using these resources wisely to provide the best possible education for our students.

This moment represents more than the passage of a levy, it's a statement of shared belief in our community's future. Together with our partners in the Village of Delta; the Townships of Pike, York, Swancreek, and Fulton; and our local businesses and organizations, we are working to make this community everything we all want it to be—a place where families thrive, students are inspired, and opportunities continue to grow.

As we look ahead, we're excited to keep strengthening the bond between our schools and our community. Thank you again for your continued trust, encouragement, and partnership. The best days for PDY, and for Delta, are still ahead.

With appreciation,

Douglas J. Ford
Superintendent
