LAKE QUINAULT SCHOOL

October

A message from the Principal ...

Newsletter 2026-2027

Dear Lake Quinault Families and Community,

It is hard to believe that we are already a month into our new four-day school week! Overall, the transition has gone very well. We have had to make a few adjustments here and there, which was expected, but things are running smoothly, and our students and staff have done a great job adapting to the new schedule.

With the shortened school week, it is especially important that students are here and ready to learn Monday through Thursday. Every day matters, and regular attendance helps students stay connected to their learning, their classmates, and the support available at school.

Our Save the Children Friday Program is also in full swing, with 25 students currently signed up. The program is going very well, and it has been great to see students having fun, staying engaged, and enjoying the activities being offered. If your family is interested in participating, please contact the school for more information.

We also received some wonderful media attention following our Open House and Save the Children's Learn Without Limits event. Save the Children donated a book vending machine, the first of its kind in Washington State and one of only five in the entire United States, as well as 1,000 K–12 books to help keep it stocked. It was a very special evening for our students, families, and community, and we are incredibly grateful for the continued partnership and support of Save the Children. Be sure to check out the videos from the event posted on the school website.

Somehow, the end of the first quarter is already approaching! First quarter ends October 29, and parent-teacher conferences will be held on Friday, November 6. More information about conference times will be shared as we get closer.

Thank you to our students, families, staff, and community partners for helping make the start of this school year such a positive one. I continue to be grateful for the opportunity to serve Lake Quinault School and look forward to everything October has in store.

Go Elks!

LAKE QUINAULT SCHOOL

OCTUBRE

Mensaje del director

Newsletter 2026-2027

Estimadas familias y comunidad de Lake Quinault:

¡Es difícil creer que ya llevamos un mes con nuestra nueva semana escolar de cuatro días! En general, la transición ha sido muy positiva. Hemos tenido que hacer algunos ajustes aquí y allá —algo que era de esperar—, pero todo marcha sobre ruedas y tanto los estudiantes como el personal han hecho un gran trabajo adaptándose al nuevo horario.

Dado que la semana escolar es más corta, es especialmente importante que los estudiantes asistan a clases y estén listos para aprender de lunes a jueves. Cada día cuenta, y la asistencia regular ayuda a los alumnos a mantenerse conectados con su aprendizaje, sus compañeros y los recursos de apoyo disponibles en la escuela.

Nuestro programa de los viernes de *Save the Children* también está en pleno funcionamiento, con 25 estudiantes inscritos actualmente. El programa marcha muy bien; ha sido maravilloso ver a los estudiantes divertirse, participar activamente y disfrutar de las actividades que se ofrecen. Si su familia está interesada en participar, por favor comuníquese con la escuela para obtener más información.

También recibimos una atención mediática maravillosa tras nuestra jornada de puertas abiertas (*Open House*) y el evento "Learn Without Limits" (Aprende sin límites) de *Save the Children*. La organización donó una máquina expendedora de libros —la primera de su tipo en el estado de Washington y una de las cinco que existen en todo Estados Unidos—, además de 1.000 libros para estudiantes de todos los niveles (K-12) para mantenerla abastecida. Fue una velada muy especial para nuestros estudiantes, familias y comunidad, y estamos profundamente agradecidos por la colaboración y el apoyo continuo de *Save the Children*. No olviden ver los videos del evento publicados en el sitio web de la escuela.

¡De alguna manera, ya nos acercamos al final del primer trimestre! El primer trimestre concluye el 29 de octubre y las conferencias entre padres y maestros se llevarán a cabo el viernes 6 de noviembre. Compartiremos más información sobre los horarios de las reuniones a medida que se acerque la fecha.

Gracias a nuestros estudiantes, familias, personal y socios comunitarios por contribuir a que el inicio de este año escolar haya sido tan positivo. Sigo agradecido por la oportunidad de servir a la escuela Lake Quinault y espero con ilusión todo lo que octubre nos tiene preparado.

¡Vamos, Elks!

Michael Kenney
Director

UP COMING EVENTS

Lakeside Partnership visit

Lakeside School, 8th graders from Seattle will make their annual trip to Lake Quinault from October 12–15 to spend time with our 8th-grade class and continue this special partnership between our two schools.

During their visit, students will tour our amazing community, visit the Lake Quinault Museum, the Cook Creek Fish Hatchery, and Ruby Beach, and participate in meaningful service learning opportunities. The week will culminate with two days of service work on hiking trails along the South Shore.

This marks the 9th year of this wonderful partnership between Lake Quinault School and Lakeside School. We are excited to welcome our visitors back and look forward to another great week of connection, learning, and service.

Lake Quinault School

STUDENT OF THE MONTH!

Newcomer Christian Harding had an excellent first month of school. Christian has excelled in the classroom since transferring from Forks. He has taken the time to create new friendships, support our athletic programs and is a great addition to the class of 2029.

- Mr. Wilson

Virginia is a pleasure to have in class. She's sweet, has a great attitude, and works hard.

- Ms. Walker

PRÓXIMOS EVENTOS

Visita de colaboración de Lakeside

Los alumnos de octavo grado de la escuela Lakeside School de Seattle realizarán su viaje anual al lago Quinault del 12 al 15 de octubre para compartir tiempo con nuestra clase de octavo grado y dar continuidad a esta colaboración especial entre ambas escuelas.

Durante su visita, los estudiantes recorrerán nuestra maravillosa comunidad, visitarán el Museo del Lago Quinault, criadero de peces de Cook Creek y Ruby Beach, además de participar en actividades significativas de aprendizaje-servicio. La semana culminará con dos días de labores de servicio en los senderos de la orilla sur (South Shore).

Este año se cumple el noveno aniversario de esta magnífica colaboración entre la escuela Lake Quinault y la escuela Lakeside. Nos entusiasma recibir nuevamente a nuestros visitantes y esperamos disfrutar de otra gran semana de convivencia, aprendizaje y servicio.

Michael Kenney
Director
Escuela Lake Quinault

ESTUDIANTE DEL MES

El recién llegado Christian Harding tuvo un excelente primer mes de clases. Christian ha destacado en el aula desde que se trasladó de Forks; se ha tomado el tiempo para entablar nuevas amistades y apoyar nuestros programas deportivos, y es una gran incorporación a la promoción de 2029.

- Mr. Wilson

Es un placer tener a Virginia en clase. Es encantadora, tiene una actitud excelente y se esfuerza mucho.

- Ms. Walker
