Request Formal Concurrence of Utility Funding Associated with GDOT's Whigham Dairy Road Project

Gabriel Menendez <gabrielm@bainbridgecity.com>

To: Chris Hobby <chrish@bainbridgecity.com>

Cc: Lisa Taylor <lisat@bainbridgecity.com>; Allie Godwin <allieg@bainbridgecity.com>

Chris,

As you know, GDOT has a policy "6863-11-Utility Aid Guideline" where "... Municipalities, Counties, State Agencies and Authorities (hereby known as Utility Owners) may request aid for utility costs directly attributed to a project as authorized by law, O.C.G.A. 32-6-170...". That Utility Aid only applies to "in-kind" replacement. Per GDOT we are eligible for 50% assistance with the in-kind costs. We have requested said Utility Aid for the In-kind replacement of existing City utilities associated with GDOT's Whigham Dairy Road Project which is scheduled for a June 2024 Letting.

In addition, we had previously requested GDOT to include the expansion and upgrade (also referred to as a "betterment") of our water distribution system by looping a 12" water line between Martin Luther King Jr. Drive to Vada Road. By including this "betterment" in GDOT's roadway project we would garner cost savings over having a stand-alone "betterment" project.

The following is a breakdown of the estimated costs for both the "In-kind" and "betterment" costs associated with the utilities within the limits of the GDOT's Whigham Dairy Road project:

Estimated Project Costs

In-kind replacement cost = \$ 846,652.00

Betterment/upgrade cost = \$ 2,256,545.00

Total relocation cost = \$ 3,103,197.00

Utility Aid

50% of In-Kind Aid = \$ 423,326.00

City Obligation

Total City Funding = \$ 2,679,871.00

The City has already applied and been approved for a \$2,000,000.00 Georgia Fund Loan from GEFA. The City has been and will be responsible for all preliminary engineering and inspection costs associated with relocating our utilities.

In advance of providing and executing a formal Utility Aid funding agreement, GDOT is requesting the City's formal concurrence with these estimated funding obligations.

Please let me know if you require any additional information.

Thank you for your consideration.
