Waverly High School Scholarship Guide

2026-2027

How do I find out about scholarships?

Scholarship updates will be emailed to the School Tool parent and student email lists, as well as advertised on the Waverly CSD website, Waverly app and TEAMS platform.

When applying for a scholarship it is important to consider:

- Criteria for each scholarship
- Eligibility
- Deadlines
- Required supplemental information (i.e.: transcripts, letters of recommendation, essays, etc.)
- Make sure that you ask for transcripts and recommendation letters 1-2 weeks before the scholarship deadline to allow ample time for people to complete the needed documents.
- School counselors can advise if all scholarship criteria have been met and teachers can help with proof-reading and essay content if needed.

This booklet has been prepared to help Waverly seniors become aware of the scholarships made available by various organizations. Please keep in mind that this booklet is not meant to be a comprehensive listing of all scholarship offerings available. The scholarships identified here are those that were available during the 2025-2026 academic year. While most of these scholarship programs are offered annually, some are offered on an irregular basis. The Guidance Department will update scholarship offerings as the information becomes available. Scholarship Scholarships will be advertised on the Waverly CSD website, Waverly App, TEAMS platform and sent out via email to all seniors and families. These are your most reliable sources for all things related to scholarships. Seniors can use this packet as a resource to familiarize yourself of the wide variety of scholarship programs that exist and with those for which you might be eligible.

Students and parents should check the eligibility criteria carefully prior to deciding about applying for a particular scholarship.

*Please remember that it is the student's responsibility to become aware of various scholarship opportunities and to complete the application process. Students will need to obtain the necessary application materials, provide all the information requested, and meet all deadlines. However, if at any time you need assistance, the Guidance Department will assist you as much as possible with your scholarship search and the application process.

Please visit *waverlyschools.com* for updated information and deadlines.

- The award should be announced via the individual's high school awards procedures but will be physically awarded at the VFW Post 8104 in June.
- Applications will be turned into the Guidance Department no later than the 1st Friday in May. Winners will be decided no later than the 3rd Friday in May. A date for presentations of award checks in early June will be collectively decided by the committee, the students, and their parents/guardians.
- Guidance will advertise this via email, Waverly CSD website, Waverly App, and TEAMS platform in early April.

Waverly Teachers' Association Scholarship:

This scholarship is given by the Waverly Teachers' Association to a deserving student in the current graduating class who has been enrolled in the Waverly School District for at least the last two years of their high school career. In addition, the student should be pursuing a degree at a 2- or 4-year college in a service field. Preference will be given to those entering the education field.

- Application forms are available in the high school Guidance Office, Senior English Teachers, or Econ/Pig Teachers. Application forms need to be returned to the Committee Chair by May 24th. See Application for details.
 - This is a scholarship award given directly to the student. The scholarship must be repaid in full if the student does not go on to post-secondary education and complete their 2- or 4-year degree.
 - The WTA Scholarship will be funded through the WTA membership, and the amount will be determined each year in the WTA proposed budget.
 - Amount to be awarded: \$400.
 - Applications are due in May.
 - Guidance will advertise this via email, Waverly CSD website, Waverly App, and TEAMS platform in early April.
