Dripping Springs ISD

Family Vacation Planner

Our Tigers learn best when they are present and engaged, and that's why school attendance is so important! Regular school attendance is one of the strongest predictors of student success. Absences from class can result in serious disruption to learning and the mastery of skills needed to progress to the next grade. Use the dates below when planning family vacations and appointments so our Tigers can stay in school and thrive in their studies!

2026-27 SCHOOL YEAR
