Greeneville City Schools today announced its policy for free and reduced-price meals for children served in schools under the National School Lunch Program and/or School Breakfast Program. For School Year **2026-2027 Greeneville City Schools will continue participation** in the Community Eligibility Provision (CEP). All children at the following schools will receive breakfast, lunch [and snack, if available] at no charge under this provision:

Eastview Elementary School

Highland Elementary School
Tusculum View Elementary School

CEP is a key provision of the Healthy, Hunger Free Kids Act of 2010, which allows schools in low-income areas to eliminate school meal applications and serve breakfast and lunch at no charge to all enrolled students. Breakfast and lunch meals will follow the United States Department of Agriculture (USDA) guidelines for healthy school meals, so please encourage students to participate.

Families at the following schools are encouraged to submit a free and reduced-price meal application to determine their eligibility for free and reduced-price meals.

Greeneville Middle School
Greeneville High School

Children need healthy meals to learn. **Greeneville City Schools** offers healthy meals every school day. Breakfast and lunch meals will follow the United States Department of Agriculture (USDA) guidelines for healthy school meals, so please encourage students to participate. “In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age or disability.”

Breakfast costs **$1.60**; lunch costs **$2.35 (6th-8th), $2.60 (9th-12th)**. Your children may qualify for free meals or for reduced price meals. Reduced price is **$.30** for breakfast and **$.40** for lunch. Below are some common questions and answers to help you with the application process.

Are any children living with you who have chosen to leave their prior family or household? 6. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes. Your child's application is only good for that school year and for the first few days of this school year, through **9/15/2026**. You must send in a new application unless the school tells you that your child is eligible for the new school year. If you do not send in a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.

7. I GET WIC. CAN MY CHILDREN GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced-price meals. Please send an application.

8. WILL THE INFORMATION I GIVE BE CHECKED? Yes. In accordance with program regulations school officials will be verifying the income of some households at some time during the school year. Selected households will be requested to provide income documentation to continue receiving free and reduced-price meals.

12. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

13. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

If children or households receive benefits under Assistance Programs or Other Source Categorically Eligible Programs and are not listed on the notice of eligibility and are not notified by the school of their free meal benefits, the parent or guardian should contact the school or should submit an income application.
17. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
