Senior Portraits - What do they say?

Traditional senior portrait images are timeless, but they really say nothing other than "hey, I graduated." At ultraMOD, we think that is just not enough.

Senior portraits are one of the most **important** portraits you will take in your lifetime. They should tell a story of who the senior is and should reveal the transition from a young person to an adult. That is why we offer the senior experience. It's a hands on, customized portrait session that **captures** the senior's story. Who they are. What they like. Their **unique** style.

Their hobbies and their natural posture. **NO FAKE SMILES** are allowed! ultraMOD

also offers an **amazing** senior rep program where certain seniors receive free sessions and opportunities to earn ca\$h and a 16gb iPad.

Contact us **today** to schedule a **FREE** senior session consultation.
