Dedication

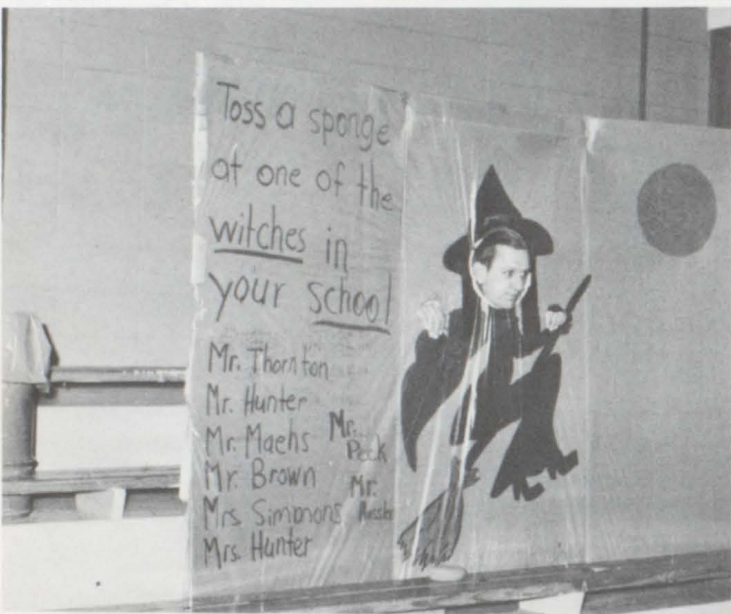

An ageless man;
Who could know what his solemn eyes have seen?;
Disasters, tragedies, changes, and improvements.
The Historian, Raymond Long.

The road of life
 A road walked alone
 But traveled by all
 With encounters
 And friends to share it
 And memories
 To find it
 A road with hills
 And flowers by the side
 Dirty and dusty
 But quiet and calm
 Life my friends
 Explored and loved
 But strangely taken for granted.
