John Riley made a motion to approve the non-certified pay increase of \$.30 as presented by Dr. Street. Timothy Mills seconded. Motion carried with a vote of 4-0.

Superintendent Updates by Dr. Street were as follows:

- We already have one week under our belts. We are off to a great start.
- Golf starts this week. Cross-country and volleyball also start this month.
- Overall, we are up about 55 students from our October count from last year. This is a significant increase in students, and we are grateful for the existing and new families that we are being allowed to serve.
- Our heating and air project is almost complete. Staff and students have actually reported that it has been cold. We were able to get a new fire alarm system that was also much needed. Techs will be onsite through December to ensure that all of the controls are working.
- I would like to take a minute to thank our custodial staff for the hard work that was completed this summer. I would also like to thank all of the teachers and administrators for making it through a construction project. There has been lots of give and take and I appreciate the flexibility on everyone's part.
- Our next board meeting will be held on September 14, 2026.

Questions and/or comments were taken and discussed during audience communications. No board action required.

James Shirley made a motion adjourn the meeting. John Riley seconded. Motion carried with a vote of 4-0.
