Dear Parents and Guardians,

As we settle into the new school year, we want to remind families to please check your child's lunch account balance and make a payment if there is an outstanding balance.

Students will always be provided with a basic school lunch if they forget their lunch at home; however, when a student's lunch account has an outstanding balance, they will not be permitted to purchase à la carte items or snacks until the account balance has been brought up to date.

We understand that busy schedules can make it easy to overlook a lunch account balance, so we appreciate your attention to this matter. Keeping accounts current helps us ensure that our lunch program runs smoothly and that students are able to access the food options available to them each day.

Please take a moment to review your child's account and add funds as needed.

Thank you for your partnership and for helping us make lunchtime a positive experience for all of our students.

Regards,

Dr. Stigliano
