CELL PHONE POLICY

Students are not allowed to have cell phones out or visible during the school day. Before school begins, cell phones should be powered OFF and stored out of sight in a locker or the cell phone caddy in each classroom.

During the first 3 minutes of the last period, students are permitted to check their cell phones for messages. Following this check, cell phones should be powered OFF and put away until dismissal.

If a phone is visible or audible during the school day, it will be considered a cell phone violation and will receive consequences for the appropriate offense (shown below).

- ★ ***PLEASE send messages to your student through the office, 270.395.7108, instead of texting, to avoid any cell phone violations.***
- ★ ***PLEASE do not come pick up your student if they text you that they are sick. Please contact the office instead to see if they have been to see the nurse for any Tylenol or other first aid needs. Calling the office first will avoid any cell phone violations for your student.***

1st and 2nd Offense – Student will lose 10 behavior points for Cell Phone Violation.

3rd Offense – Administrator will confiscate phone. Student will lose 10 behavior points for Cell Phone Violation AND 10 behavior points for Defiance, for a total of 20 points, which is a major.

Teachers have been reviewing this policy with students. Some students are beginning to receive warnings through the points pyramid and parents and students will receive emails when this happens. Students can also show you their points totals in the Student Dashboard on their Chromebook browser. Help us by talking to your students about storing their cell phones during the school day.

DRESS CODE

(Administrator discretion will be used when necessary and appropriate.)

Hats are not permitted, including hoodies pulled up. Hair should be well-groomed; not covering eyes.

No tank tops, muscle shirts, sleeveless shirts (that are gaping/cut-out), shirt/dress straps should be at least 3-finger width, and midriff should be fully covered, front and back.

Pants should be worn at waist; No holes in pants more than 6 inches from the knee.

Pajama bottoms and house slippers are not considered appropriate for school.

Shoes or sandals should be worn at all times.

Visible body piercings limited to ears.

Appropriate undergarments should be worn, but not visible.

No vulgar, suggestive, indecent writings or slogans, or references to drugs or gangs on clothing.

No wallet chains/bandanas.

Shorts should be loose fitting, with at least a 5" inseam.

Dresses/skirts/tunics should be no shorter than 6 inches from the top of the knee.

Any student who willingly and knowingly violates the dress code after having reasonable notice and warnings, and in most cases been given an opportunity to change, shall be subject to disciplinary action in the Points Pyramid and shall be asked to call home for a change of clothes.

Educational Experience Policy

Throughout the school year, teachers plan educational experiences that take the students out of the traditional classroom setting for the day to give them first-hand experiences and knowledge that will enhance what they are learning in the classroom. While we want every student to enjoy these experiences we must require a few minimum expectations from students:

1. Students shall have less than **10 unexcused absences to attend the field trip.** In place of the trip, the student shall attend school that day to work towards mastering content skills from their core content classes that will be provided and graded by their teachers. The assignments will be tailored specifically for the child with his or her academic needs in mind.
2. Students shall have no **less than 80 behavior points or any major infractions.** In place of the trip, the student shall attend school that day to work with an adult on behavioral and social skills tailored specifically to the child based on data collected from the behavior points pyramid. Safety is a concern when we take students out of our school environment. In addition, students who are continually disrespectful towards others or who use profanity would most likely not be welcomed in the places we visit.

Each year, Flex teachers will review this policy with students and share it with parents. The principal and teacher may reference this policy when calling home about behavior infractions. All students have access to the Points Dashboard and can show parents their standing at any time during the school year. The student's points are also listed in behavior infraction emails. The principal will follow district guidelines in the attendance policy set forth by Marshall County Board of Education for mailing truancy notices.

The principal reserves the right to waive this policy in situations deemed appropriate.

When is sick too sick for school?

A regular attendance routine is important for your child's well-being and learning. These tips can help you decide when to keep your child home when they don't feel well.

SEND ME TO SCHOOL IF...

- I have **a runny nose** or just **a little cough**, but no other symptoms.
- I have **NOT had a fever overnight** and **have NOT taken fever reducing medicine** during that time.
- I have **a mild stomach ache**.
- I have **not thrown up** overnight and can drink liquids without throwing up.
- I have **a mild rash** and no other symptoms.
- I have **eye drainage WITHOUT fever**, eye pain or eyelid redness.

KEEP ME AT HOME IF...

- I have a **temperature higher than 100.4**
- I have **thrown up two or more times** in the past 24 hours.
- My **stool is watery** and I may not make it to the bathroom in time.

SEEK MEDICAL CARE IF...

- I have a **temperature higher than 100.4 AND any of the following:** ear pain, sore throat, rash, stomachache, headache or tooth pain.
- I have **stomach pain and fever**, I have **bloody or black stool**, or I am **dehydrated** (tired and sleepy, dry mouth) and/or I have **not urinated** in the last 8 hours.
- I have a **persistent cough** or **trouble breathing**, or have a fever with the cough.
- I have **eye swelling, eye pain** or an **eye injury**.
- I have a **rash that has blisters**, is draining, is painful, looks like bruises, and/or I have a fever with the rash.

If you don't know whether to send your child to school, have specific concerns regarding your child's physical or mental health, or are worried your child will spread illness, contact your child's health care provider, a local urgent care or the school nurse. These tips are not meant to take the place of local health department/school district health guidance including about contagious illnesses such as Covid-19 and the flu.

Reasons to keep me home from school and what needs to happen before I can return

What is my symptom?	When should I stay home and when to seek medical care?	When can I return to school?
Fever	I have a fever of 100.4°F (38°C) or higher. **Seek medical care** if I have fever and any of the following: ear pain, sore throat, rash, stomachache, headache or tooth pain.	If I have not had a fever overnight without the use of fever-reducing medication and I am feeling better.
Vomiting and/or diarrhea	If I have vomited 2 or more times in the last 24 hours. If my stool is watery and I may not make it to the toilet in time. **Seek medical care** if I have stomach cramping and fever, I have bloody or black stool, or I am showing signs of dehydration (tired and sleepy, dry mouth and not urinating at least once in the last 8 hours).	If I did not vomit overnight and I am able to drink liquids without throwing up. If my diarrhea has improved.
Persistent cough or trouble breathing	**Seek medical care** if I have a persistent cough, difficulty breathing or trouble catching my breath or if I develop a fever with the cough. These symptoms may be signs of Covid-19 or flu and should be evaluated by a health-care provider.	Once I am feeling better and I have been cleared for return by my health-care provider. If my symptoms were due to asthma, please make sure that I have permission to use breathing medication at school.
Rash	**Seek medical care** if the rash has blisters, is draining, is painful, looks like bruises and/or if I develop a fever.	Rash has healed or I have been cleared for return by my health-care provider.
Eye irritation	**Seek medical care** if I have eye swelling, eye pain, trouble seeing or an eye injury.	Once I am feeling better.
Sore throat	**Seek medical care** if I have drooling, trouble swallowing or a fever and/or rash.	Once I am feeling better. If I was prescribed an antibiotic by my health-care provider, then I can return 12 hours after the first dose, if I am without fever and I am feeling better.

If you don't know whether to send your child to school or have specific concerns regarding your child's health, contact your child's health-care provider, a local urgent care or the school nurse.

Join us to celebrate North Marshall Middle School's 8th grade class on Monday, May 18! Your students have worked very hard this year, and they are excited to share their work with their parents. Two events will take place that night, a personalized Learning Defense, by reservation from 11:30-12:10 or 4:40-5:40, with your student only in the LIbrary or Cafeteria. The Promotion Ceremony at 6:00 will celebrate the entire class together in the gym.

Parents, we need you to do these things by Friday, May 8:

- Choose a time for your child's Learning Defense here. Make the reservation with your student's name, and only reserve one spot per student. As many family members can attend as you want.
- Upload 1-2 pictures of your child here. Most parents choose one recent and one childhood picture. Please do not submit group photos.

FAQs

What is a Learning Defense?

A Learning Defense is a presentation where students show evidence of what they have learned this year, their progress throughout middle school, and their plans for the future all while connecting it to the Marshall County Graduate Profile. At the end of the presentation students will be presented with any award certificates they may have received and a photo booth will be available.

Who can come to the Learning Defense and Awards?

Anyone that loves your student! Each student will sit down with their families and one of their teachers to present their Learning Defense.

How long will the Learning Defense take?

Each Learning Defense will take about 5-10 minutes.

Where are the Learning Defenses and Promotion Ceremony held?

Learning Defenses will be held in the Library and Cafeteria before the 8th Grade Promotion Ceremony, which will take place at 6:00 PM. The Promotion Ceremony will take place in the gym.

I would like to help decorate. Who should I contact?

Mrs. Staley at kayla.staley@marshall.kyschools.us

How do I sign up for a Learning Defense time?

Use this link. When signing up, please use your child's name. Times are available during lunch (11:30-12:10) and before the Promotion Ceremony (4:40-5:40)

I'm having trouble uploading a picture. What should I do?
