

**July 14, 2026**

**Dear Wildcat families, friends, donors, and community members,**

This past year, the Cedar Bluffs Booster Club transformed from a brand-new organization, learning as we went, into a purpose-driven, well-oiled machine. We are incredibly grateful to Mr. Tom Brinkman and to all the parents, staff, and community members who generously shared their time, talents, and resources to help make that possible.

We are excited to kick off the 2026-2027 athletic and activities season with our Cedar Bluffs Wildcats! Our first Booster Club meeting of the year will be **Thursday, July 16, at 6:30 p.m.** in the JAG Room at the high school. We encourage you to attend to learn about upcoming events, discover how the Booster Club supports our students, and find ways to get involved. During this meeting, we will also nominate and vote on open Executive Board positions.

Over the past year, the Cedar Bluffs Booster Club proudly continued Wildcat traditions, including the annual Booster Bash, student scholarships, and donations to school organizations through concession stand volunteer opportunities. Thanks to your continued support, we have been able to give back to our athletic, fine arts, and student activity programs in meaningful ways.

Through volunteer work in the concession stands, student organizations earned **more than \$6,000** for their clubs. We also increased concession stand payouts from **\$150 to \$200 per event**, allowing even more financial support for student organizations as needs arose throughout the year.

Our weekly meal specials at Varsity athletic events continue to be a favorite with fans who are cheering on the Wildcats during dinner time. We always welcome suggestions for future menu items, so please share your ideas with us! Don't forget that **Booster Bucks** also make a great gift for students, grandchildren, or family members and can even be preloaded for the entire season.
