TOPIC OF DISCUSSION:

Council met to discuss the establishment of a New Community Authority (NCA). Colton Henson asked if there was a minimum percentage TVSD gets from the NCA. The Village Administrator said no. Henson indicated that he had spoken with representatives from the school who said the school had contributed money to the establishment of the NCA. The VA said any money contributed by the school could be refunded.

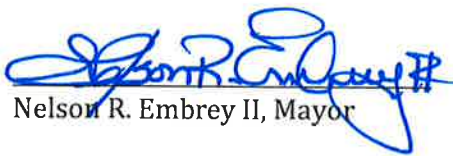

Roger Clark asked where the start-up money comes from. The VA said funding can come from bonds, loans, etc. and that a person who has experience with NCAs will need to be put in charge of that part.
