GUESTS:

- Kari Haddox addressed Council about her concerns with making the alley that runs beside her property one-way. Haddox said that she and the other neighbor on Circleville Avenue, whose property is also beside the alley, were not notified about the change. Haddox said that Circleville Avenue can be very busy during school hours and school events making it dangerous to back out onto the road from her driveway. Haddox said she and her family have always used the alley as a safer option to exit their property during busy hours. Council suggested posting signs for local traffic only. Haddox said she was agreeable to that. Colton Henson moved, seconded by Dave Rainey, to have signs posted at the alley that runs between Gary Street and Peggy Lane for local traffic only. Colton Henson asked Ward if he had a design in mind. Ward said he wanted to get the Village's permission first. Henson said he would like to see a sketch first to make sure it will blend well with the park, but, otherwise, he thinks it's a great idea. Colton Henson moved, seconded by Dave Rainey, to allow Mr. Ward to move forward with the process of erecting the memorial with the understanding the the final design needs to be approved by Council.
