- Face barriers (transportation, childcare, scheduling)
- Interested in mental health, basic needs, and early childhood supports

Community Feedback

- Provide academic, mentoring, and wraparound supports
- Strong, trusting partnership with the school
- Want better coordination, data access, and more mental health resources

Priorities and Opportunities

Rigorous, Community-Connected Classroom Instruction and Expanded, Enriched Learning Opportunities

Expand after-school programs in STEM and arts, strengthen literacy and math supports, and partner with staff and community groups to offer more clubs, real-world learning, and transportation for greater access.

Collaborative Leadership, Shared Power, and Voice

Expand participation in planning by elevating family voice, strengthening shared decision-making, and deepening collaboration with community partners to ensure diverse input in school improvement.

Integrated Systems of Support

Build on existing services by expanding mental health supports, improving coordination, and partnering with community agencies—supported by funding, data-sharing, and dedicated spaces—to better meet student and family needs.

Culture of Belonging, Safety, and Care

Build on a positive climate by strengthening social-emotional learning, consistent behavior supports, and relationships to ensure all students feel supported.

Powerful Student and Family Engagement

Build on strong relationships by expanding inclusive, accessible family engagement—through translation, flexible scheduling, outreach, and community partnerships.
