

Level	Program	Current Practice / Procedure	Future Practice / Procedure	2016 - 2017	2017 - 2018	2018 - 2019	2019 - 2020
MTC/MATA	Family and Consumer Sciences	Culinary Arts I is offered as a year-long 36-week course	Update Culinary Arts I from a full-year 36-week course to a first SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Family and Consumer Sciences	Culinary Arts II is offered as a year-long 36-week course	Update Culinary Arts II from a full-year 36-week course to a second SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Family and Consumer Sciences	Culinary Arts II is offered as a year-long 36-week course	Phase out Culinary Arts II year-long 36-week course to have a final offering on 8-days in 2018-2019 school year	Plan and Notify	Develop	Implement	
MTC/MATA	Health and Medical Sciences	Emergency Medical Technician is offered as a year-long 36-week course and is missing a sequential elective	Update Emergency Medical Technician from a full-year 36-week Level IV course to the following: Level I (SEM) and Level II (SEM) courses	Plan and Notify	Develop	Implement	
MTC/MATA	Technology Education	Computer Integrated Engineering and Design (CIED) I is offered as a year-long course with no sequential elective	Offer Computer Integrated Engineering and Design (CIED) II as a year-long sequential elective	Plan and Notify	Develop	Develop	Implement
MTC/MATA	Trade and Industrial	Administration of Justice I is offered as a year-long 36-week course	Update Administration of Justice I from a full-year 36-week course to a first SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Administration of Justice II is offered as a year-long 36-week course	Update Administration of Justice II from a full-year 36-week course to a second SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Administration of Justice II is offered as a year-long 36-week course	Phase out Administration of Justice II year-long 36-week course to have a final offering on 8-days in 2018-2019 school year	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Advanced Networking/Networking Administration (CISCO) is offered as a year-long 36-week course	Update Advanced Networking/Networking Administration (CISCO) from a full-year 36-week Level IV course to the following: Level I (QUA), Level II (QUA), Level III (QUA), and Level IV (QUA) courses	Plan and Notify	Implement		
MTC/MATA	Trade and Industrial	Auto Collision Repair Technology I is offered as a year-long 36-week course	Update Auto Collision Repair Technology I from a full-year 36-week course to a first SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Auto Collision Repair Technology II is offered as a year-long 36-week course	Update Auto Collision Repair Technology II from a full-year 36-week course to a second SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Auto Collision Repair Technology II is offered as a year-long 36-week course	Phase out Auto Collision Repair Technology II year-long 36-week course to have a final offering on 8-days in 2018-2019 school year	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Auto Servicing Technology I is offered as a year-long 36-week course	Update Auto Servicing Technology I from a full-year 36-week course to a first SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Auto Servicing Technology II is offered as a year-long 36-week course	Update Auto Servicing Technology II from a full-year 36-week course to a second SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Auto Servicing Technology II is offered as a year-long 36-week course	Phase out Auto Servicing Technology II year-long 36-week course to have a final offering on 8-days in 2018-2019 school year	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Building Construction I is offered as a year-long 36-week course	Update Building Construction I from a full-year 36-week course to a first SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Building Construction II is offered as a year-long 36-week course	Update Building Construction II from a full-year 36-week course to a second SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Building Construction II is offered as a year-long 36-week course	Phase out Building Construction II year-long 36-week course to have a final offering on 8-days in 2018-2019 school year	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Computer Systems Technology I is offered as a year-long 36-week course	Update the Computer Systems Technology I to Cybersecurity I	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Firefighter I is offered as a year-long 36-week course and is missing a sequential elective	Update Firefighter I from a full-year 36-week Level II course to the following: Level I (SEM) and Level II (SEM) courses	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Graphic Communications I is offered as a year-long 36-week course	Update Graphic Communications I from a full-year 36-week course to a first SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Graphic Communications II is offered as a year-long 36-week course	Update Graphic Communications II from a full-year 36-week course to a second SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Graphic Communications II is offered as a year-long 36-week course	Phase out Graphic Communications II year-long 36-week course to have a final offering on 8-days in 2018-2019 school year	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	HVAC I is offered as a year-long 36-week course	Update HVAC I from a full-year 36-week course to a first SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	HVAC II is offered as a year-long 36-week course	Update HVAC II from a full-year 36-week course to a second SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	HVAC II is offered as a year-long 36-week course	Phase out HVAC II year-long 36-week course to have a final offering on 8-days in 2018-2019 school year	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Masonry I is offered as a year-long 36-week course	Update Masonry I from a full-year 36-week course to a first SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Masonry II is offered as a year-long 36-week course	Update Masonry II from a full-year 36-week course to a second SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Masonry II is offered as a year-long 36-week course	Phase out Masonry II year-long 36-week course to have a final offering on 8-days in 2018-2019 school year	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Television Production/Digital Moviemaking I is offered as a year-long 36-week course	Update Television Production/Digital Moviemaking I from a full-year 36-week course to a first SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Television Production/Digital Moviemaking II is offered as a year-long 36-week course	Update Television Production/Digital Moviemaking II from a full-year 36-week course to a second SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Television Production/Digital Moviemaking II is offered as a year-long 36-week course	Phase out Television Production/Digital Moviemaking II year-long 36-week course to have a final offering on 8-days in 2018-2019 school year	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Welding I is offered as a year-long 36-week course	Update Welding I from a full-year 36-week course to a first SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Welding II is offered as a year-long 36-week course	Update Welding II from a full-year 36-week course to a second SEM (18-week) course	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	Welding II is offered as a year-long 36-week course	Phase out Welding II year-long 36-week course to have a final offering on 8-days in 2018-2019 school year	Plan and Notify	Develop	Implement	
MTC/MATA	Trade and Industrial	N/A	Offer Cybersecurity II as a TBD	Plan and Notify	Develop	Develop	Implement
MTC/MATA	Trade and Industrial	Nail Design Technology is offered as a year-long 36-week course	Add Nail Design Technology as the second SEM (18-week) year 2 course	Plan and Notify	Develop	Implement
