DID YOU KNOW?

The VDOE Procedural Safeguards and Procedures handbook that you receive at IEP meetings was revised in Sept. 2024. Note the changes to the Notice to Parents section on pp.11-12 regarding a variety of new data collection techniques.

POLICY UPDATE

Policy 5030 seeks to establish a consistent approach to assessment and grading. SEAC recommends that (1) homework and formative assessments are reviewed and reteaching happens before summative assessments are given and (2) that the policy defines a "reasonable effort" as occurring when a student submits an assignment with some evidence that an attempt was made to demonstrate knowledge.

SEAC CHAIR REPORT

6 new inclusive playgrounds will be built in 2025; and 12 new inclusive playgrounds will be built in years 2026, 2027 and 2028. In 2029-2032, inclusive playgrounds will be built for 2-5 year old students.

****CALL FOR NOMINATIONS FOR THE 2025 SEAC AWARDS****

Go to our website or click [HERE](#) to nominate someone who creates opportunities, fosters inclusion, and makes a real difference in the lives of students with disabilities. Link is open until 3/21.
