

Measures of Academic Progress (MAP)

Average Spring 2025 Achievement Percentile by School

A student's achievement percentile compares the student's score to similar students from across the country. For example, a student with a percentile rank of 72 scored as well as or better than 72% of comparable students.

This report shows the average Spring 2025 achievement percentile of all the schools in the division for Reading and Math.

Note: MAP Reading assessments are not administered in high school.
