

# Measures of Academic Progress (MAP)

## Spring 2024

### Average Achievement Percentile by School

A student's achievement percentile compares the student's score to similar students from across the country. For example, a student with a percentile rank of 72 scored as well as or better than 72% of comparable students.

This report shows the average Spring 2024 achievement percentile of all the schools in the division for Mathematics and Reading.

Note: MAP Reading assessments are not administered in high school.
