

My New School

Lansing Elementary

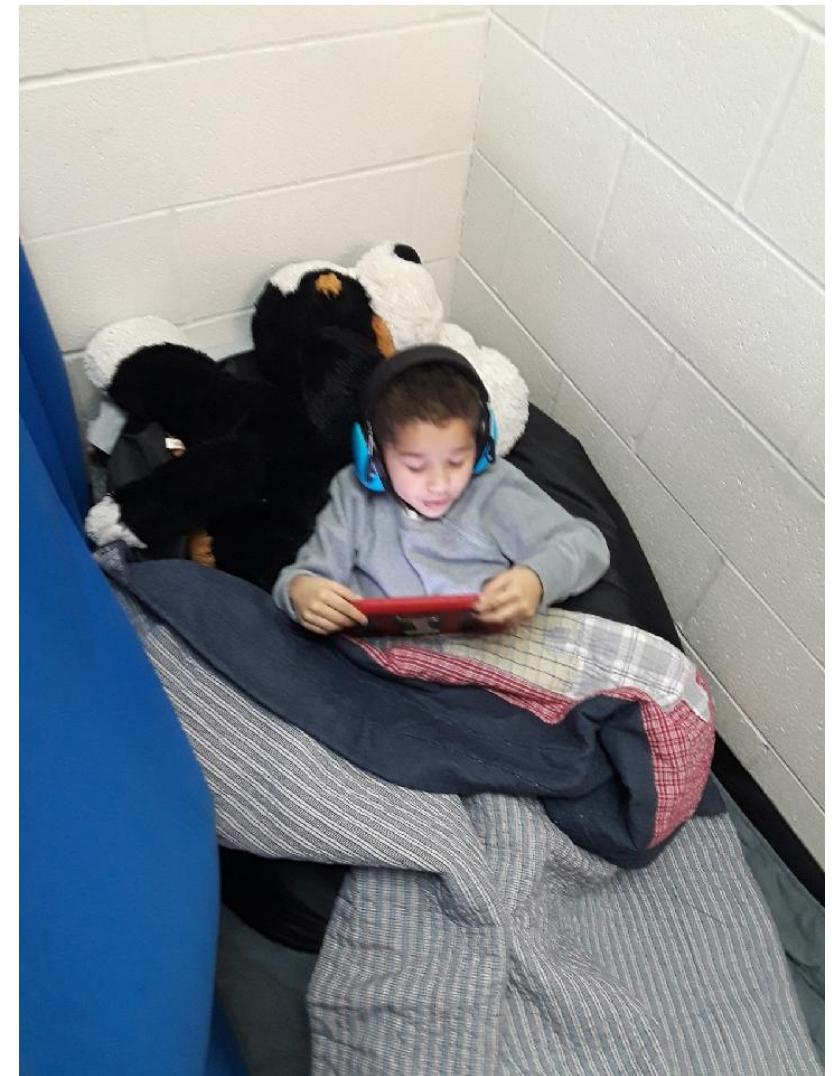

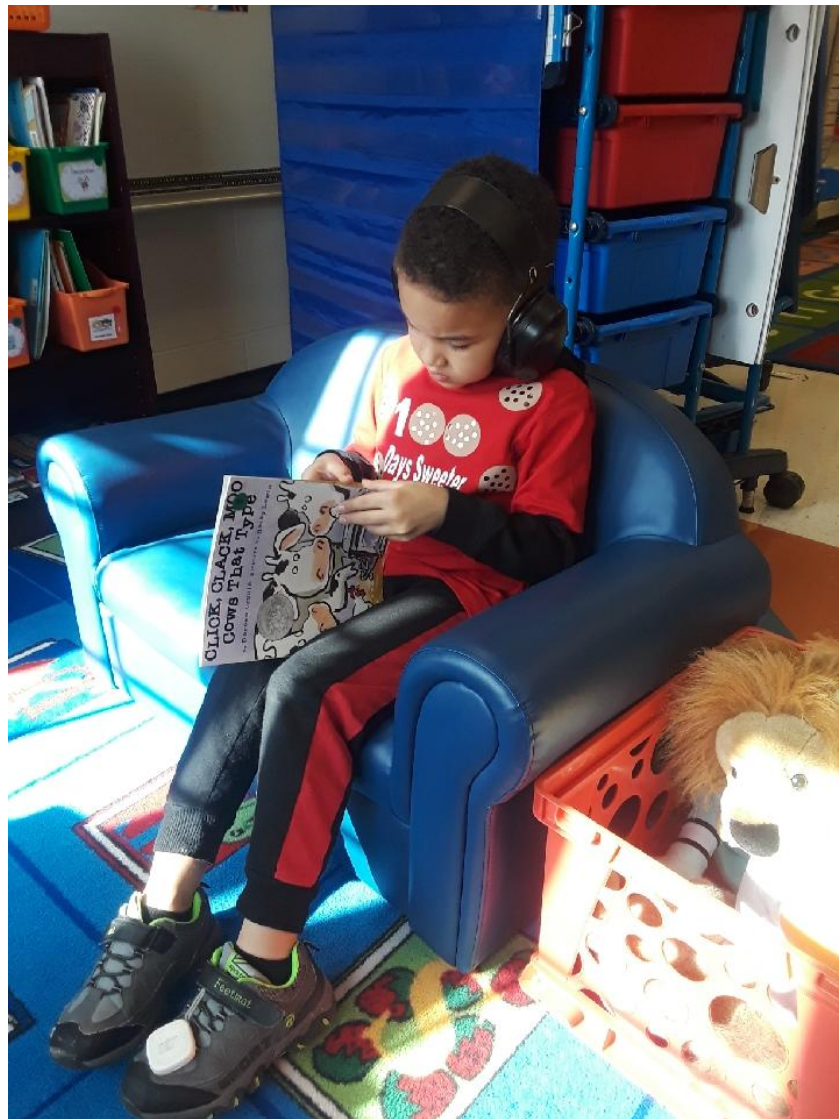

Soon, I will be
going to a
new school.
I will be in
kindergarten.

I will have a new teacher.

That will be fun because all of
the kindergarten teachers are
really cool.

My new school will be bigger than my old school. That's ok, I will have lots of fun places to explore.

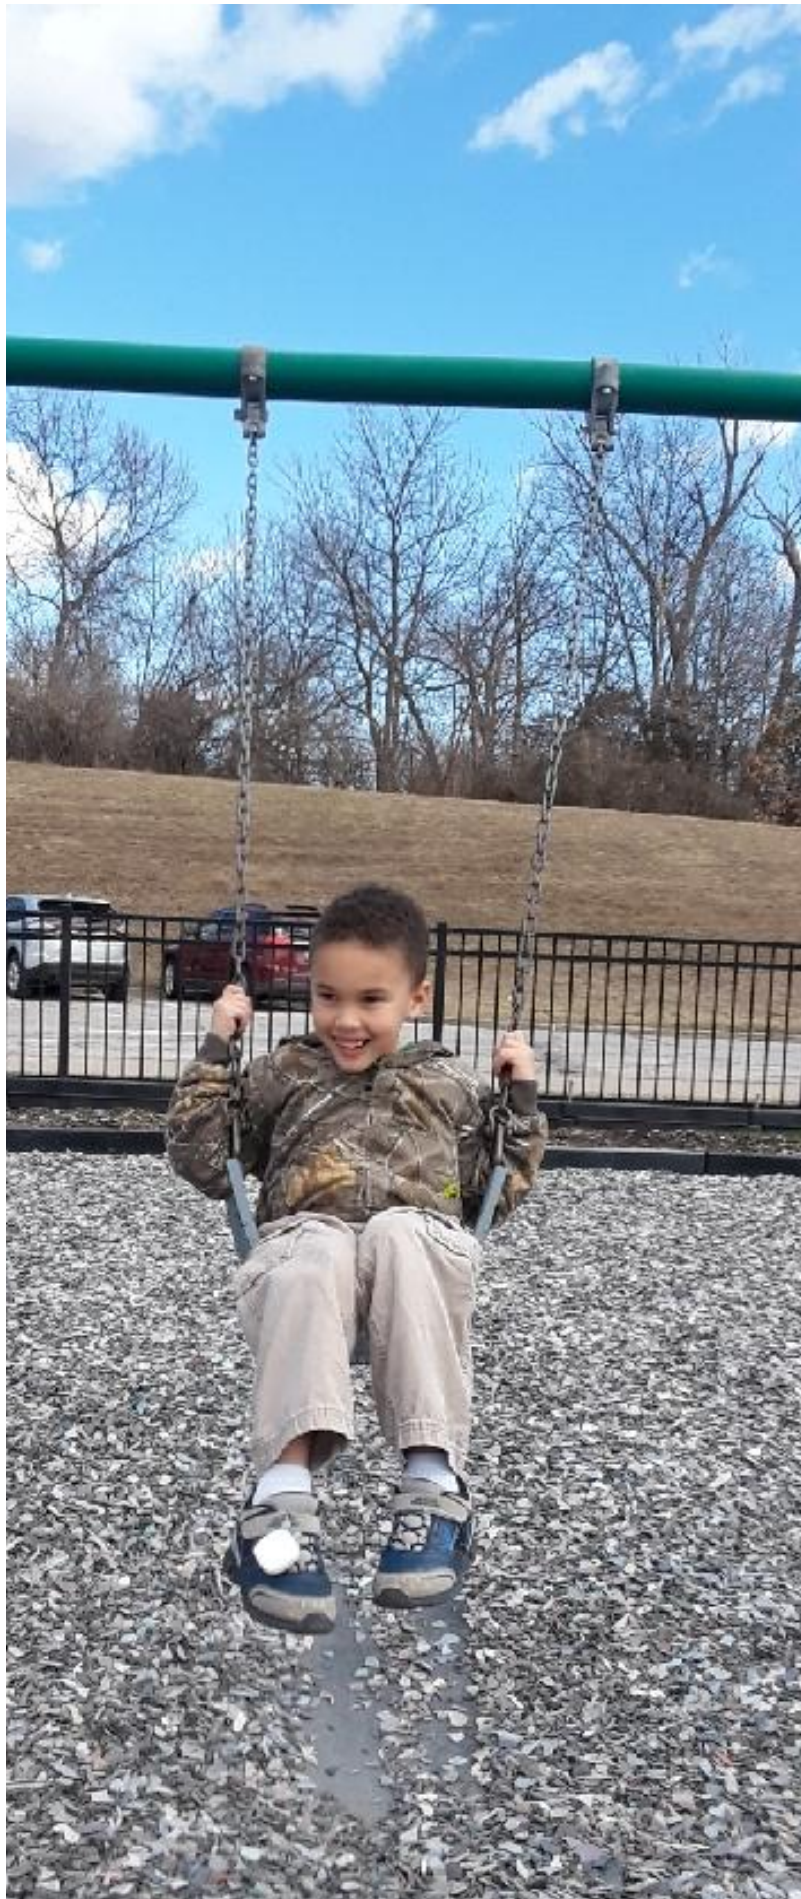

I don't have
to worry
about getting
lost, my
teacher will
show me
wherever I
need to go.

Here is what the some of the kindergarten classrooms look like.

I will have so much fun
playing with my friends
on the kindergarten
playground.

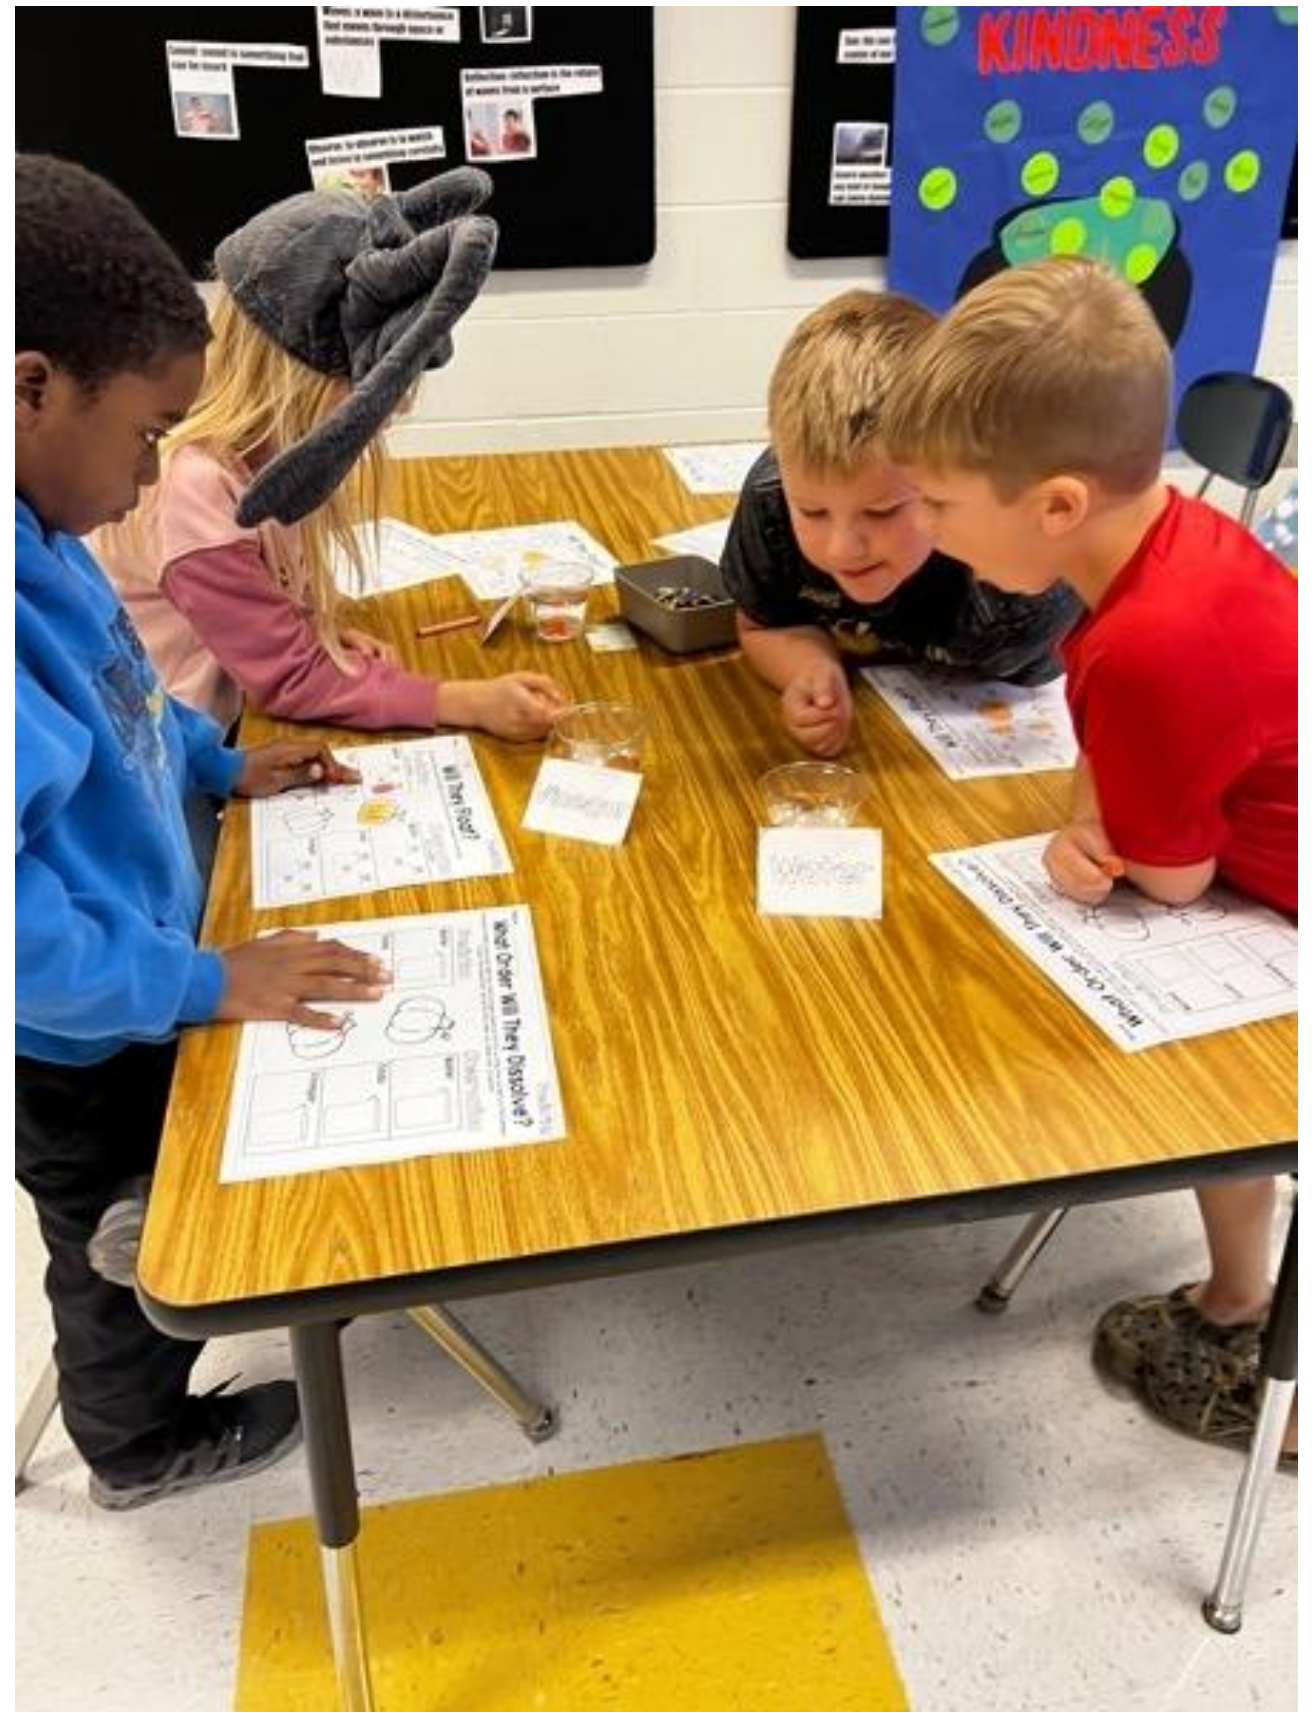

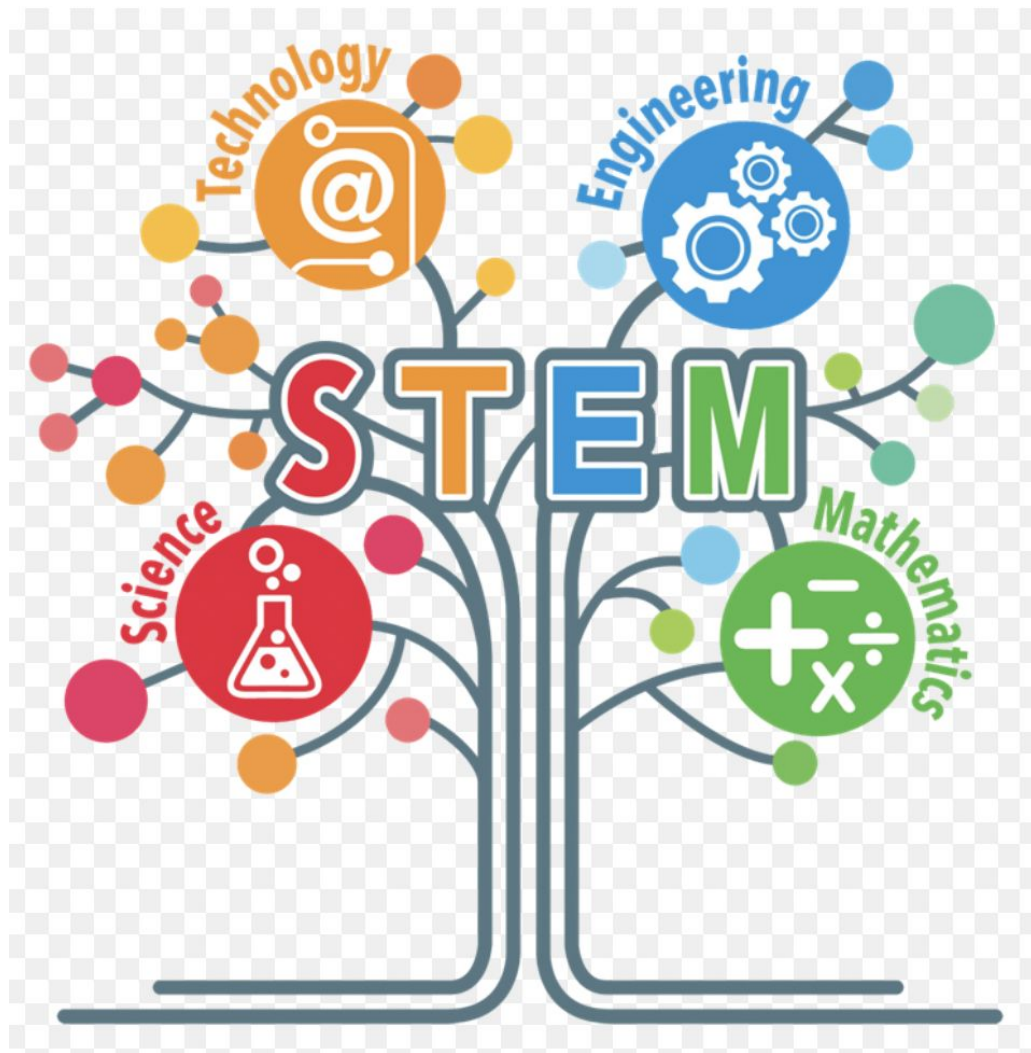

I will eat in the lunchroom with my classmates. I will choose a hot lunch or bring my lunch from home.

Everyday I will
have at least
one special
class, like Art.

STEM

Music

PE

Library

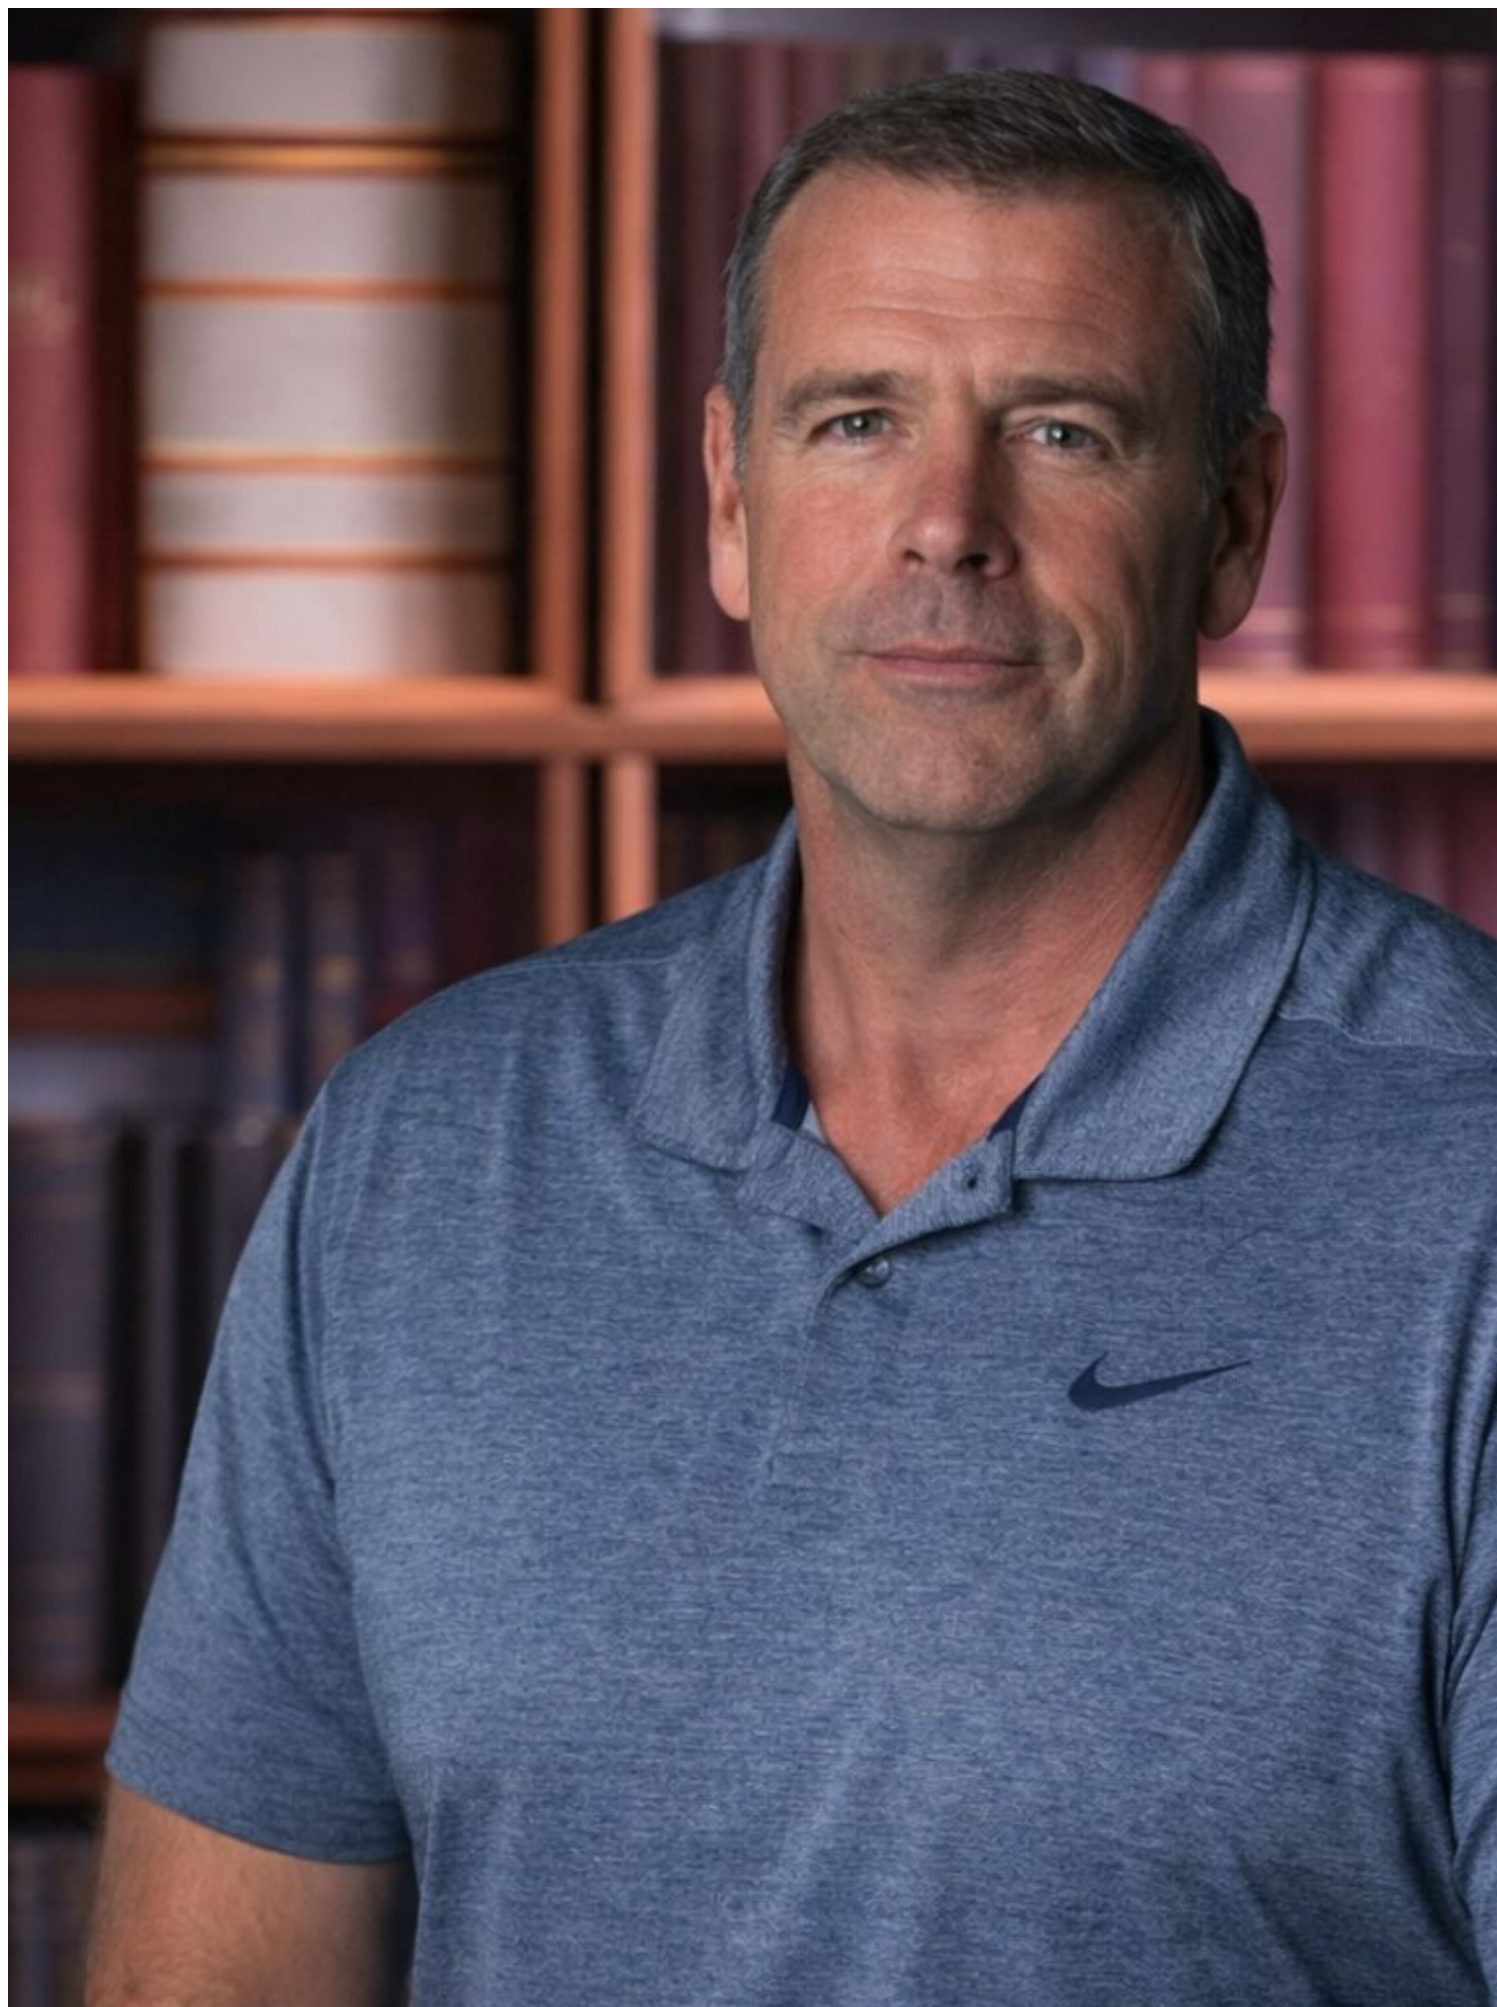

Once a week
I'll go to the
library. This
is our
library. I
will get to
check out my
favorite
books.

I might even get to ride one of the school buses.

When I visit
the office I
will meet the
Principal, Mr.
Eshbaugh. He
is very nice!
He will often
drop by the
classroom
just to say hi.

When I visit the office sometimes I will meet with an Assistant Principal, Mrs. Mains or Mrs. Becca. They are also nice and drop by the classrooms to say hi!

I will have so much fun
at my new school with
my new teachers and
new friends!

See you soon!
