Re: Florida Eastern Star Grant Program

Dear Dr. Rendell:

We are pleased to present the following information regarding The Florida Eastern Star Grant Program.

The Grand Chapter of Florida, Order of the Eastern Star, Charitable Foundation, Inc. (Florida Eastern Star) has developed a program that permits funds to cover tuition for those accepted in an accredited college, university, community college or vocational institution within the State of Florida. This grant is available to Florida high school seniors, including home schooled students, graduating in 2024 (the "Florida Eastern Star Grant Program"). While grade point average is, of course, important, the primary focus of the Florida Eastern Star Grant Program is a student's desire for a career or vocation and a need for these funds.

Due to our current social structure, changes are occurring to traditional careers and occupations and the manner in which such positions are conducted. There will certainly be much more emphasis on technology and its ability to assist while conducting our business remotely, including working from a home office, virtual meetings, online doctor's visits as well as online shopping. Thus, we believe that some form of higher education and/or training is more important than ever as our youth enter this changing society.

Attached is a copy of the information and requirements for the Florida Eastern Star Grant Program as well as our form of application. We respectfully request that you make this information available to seniors in the high schools and home-schooled individuals in your District.

If you have any questions regarding this program, please contact Lois Casaccia, Past Grand Matron, at 813-655-1555 or via email loismock3@aol.com

Sincerely,

The Grand Chapter of Florida Order of the  
Eastern Star, Charitable Foundation, Inc.

Gail Jerrell  
Worthy Grand Matron
