

Good evening, War Eagle families!!!

Do you have or know an incoming 9th grader, or any students interested in attending Astronaut High School? This Tuesday, January 30th, we will be hosting the Astronaut Expo at 6:30pm at Astronaut High School in the Auditorium. The Expo will showcase all our academic, extracurricular, and athletic programs with student performances. Families will have an opportunity to meet our students, staff, and see everything our amazing school has to offer. We will also have Food Trucks in the Bus Loop for purchase from 5-8pm. Please help us spread the word about the Astronaut Expo to your family, friends, and neighbors!

The SAT college entrance exam will be given during the school day on Wednesday, March 5th at 8:35am. ALL Juniors will take the exam for FREE. This school day administration is open to all 9th, 10th, and 12th grade students for a fee. The cost is \$55 cash or check. The deadline to sign-up is Monday, January 29th. Please see Mr. Hickey in the Media Center to sign-up no later than Monday, January 29th. This is a great opportunity to meet your graduation testing requirements for Reading and Math as well as meet college entrance and scholarship scores!

Club & Program Pictures are this Thursday and Friday throughout the day. We will make announcements for students in that club/program to be released at specific times. If you are off campus for any part of the day, please check with your sponsor to find out your club picture time. The schedule can also be found on the Astronaut High School Facebook page. There will not be make-ups for Club & Program Pictures.
