

Families, please speak with your students on a regular basis about how they are utilizing **Astro Hour**. Over the past two weeks, we have had to redirect students who are not making good decisions during Astro Hour. All students have 26 minutes to seek out their teacher's Office Hours for **tutoring, homework, study groups, make-up work**, get involved in **school clubs and activities**, and **meet with their counselors**. Students must be in a teacher's classroom or seated in a chair in the upper or lower mall area during Astro Hour. Families, please speak with your students about the value of Astro Hour to improve their academic status and involvement at Astronaut. This can be a very valuable time to improve student progress!

Boys and Girls Basketball Tryouts are **October 30th and 31st**. Student-athletes must have a current Athletic Packet and Physical on file.

Girls Tryouts are from 3:45-5:45pm

Boys Tryouts are from 5:45-7:30pm

If you have any questions please see Coach Forbes (boys), forbes.lucas@brevardschools.org or Coach Bristow (girls), bristow.brandon@brevardschools.org.
