Good evening, War Eagle families!!!

We are excited to welcome back all our students and staff tomorrow! Just a friendly reminder that we are still in 1st Semester. On Tuesday, January 9th we begin 2nd Semester classes. Students received their schedules prior to the break, or they can be found on FOCUS on Tuesday.

This Wednesday and Thursday, our 9th and 10th grade students will be taking the FAST progress monitoring assessment. The Florida Assessment of Student Thinking (FAST) is a progress monitoring tool that will be administered three times this year to track your students' progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) standards throughout this school year. This week's testing schedule is as follows:
9th Grade ELA - Wednesday, January 10th @ 9:00am
10th Grade ELA - Thursday, January 11th @ 9:00am
Students can find out their testing location from their English teacher and the list will also be posted by the Media Center. Best of luck to all our students testing!

Do you have or know an incoming 9th grader, or any students interested in attending Astronaut High School? On Tuesday, January 30th we will be hosting the Astronaut Expo at 6:30pm at Astronaut High School in the Auditorium. The Expo will showcase all our academic, extracurricular, and athletic programs with student performances. Families will have an opportunity to meet our students, staff, and see everything our amazing school has to offer. Please help us spread the word about the Astronaut Expo to your family, friends, and neighbors!
