

Audubon Elementary School

1201 N. Banana River Drive
Merritt Island, FL 32952-5757

February 21, 2023

Audubon Families,

We are revisiting expectations and ensuring that all students know and understand the Student/Parent Cell Phone or Wireless Communication Device (WCD) Contract. Any student who has a cell phone must have a contract filled out and on file. We are resending the WCD to all families so that we can update the forms on file. Even if your child currently has a WCD contract, please return the updated form. All contracts will be noted in FOCUS. If your child does not have a cell phone, we are asking that you write your child's name on the WCD and write No Cell Phone.

At Audubon, cell phones must be turned off and in your child's backpack once they get on campus. Students should not be carrying their cell phones or have it on their person once on campus, and cell phones should remain in your child's backpack until they leave the campus. If your child rides a school bus, this is an extension of the school day, and cell phones should not be out or used until your child exits the school bus. Students have the responsibility to abide by Cell Phones Contract following School Board Policy 5136. Possession of cellphones/WCDs by a student at school during school hours is a privilege that may be forfeited by any student who fails to abide by the terms of this policy or abuses this privilege.

We must work together, and I am asking for your help and support to reinforce these expectations.

Sincerely,

Candace M. Jones
Principal

Candace Jones, Principal
