also available in the front office, and members were given a copy to take home today. Mrs. Loggins thanked the group for helping in the creation of the SIP. Mrs. Slentz shared data so far in iReady and PM1 and PM2 with STAR that relates to the School Improvement Plan. We are close to our year end goals on our SIP plan already which is fantastic news. Concerns with the schedule of assessments was brought up by Mrs. Lenderman during December and right after break. Mrs. Slentz agreed that the testing schedule is not ideal. She explained that District sets the dates and asks for feedback so she will share the concerns.

- Family Math Night – 23 families attended. Was very well received just not well attended. Suggestion to hold Math Night in September to try for a better turn out since November and December are very busy for families.
- Book Purchase Guidelines for Community Stakeholder Input
