Describe the culture of Audubon Elementary:

Audubon Elementary School is a welcoming, student-centered school culture built on relationships, collaboration, and a shared commitment to excellence. Our staff work together to create a positive, supportive environment where every student is known, valued, and encouraged to reach their full potential. Guided by our SOAR vision, we foster high expectations, celebrate growth and success, and empower students to take ownership of their learning. Through strong family partnerships, teamwork, and a focus on continuous improvement, Audubon Eagles SOAR toward excellence together. ***- Candace Jones, Principal***
