

**Sixth Grade in Room 105
WELCOME !**

No, you didn't get a good teacher, you got me! I'm John Paul Zepp, you can call me Mr. Zepp. I have two of my own kids, but JM is a teenager and Christine is now in her twenties. Yeow, I'm old!

I like running around in my car, getting burnt (I turn red, not tan) and am a big fan of OutBack, since both of my kids worked there!

Need to contact me?
