Meeting Begins at 2:53 pm motioned by Dunegan and Motty

Heart Challenge

Audubon worked hard to raise money and this year, students and families beat our school goal and the American Heart Association will celebrate with a slime party!

Sweetheart Dance

200 students and parents enjoyed dinner, with dancing and music in the Audubon Cafeteria and courtyard. Families enjoyed dressing up, taking their photos, dancing, and enjoying our school. Next year, we are going to try increasing the number of tickets sold as so many were waitlisted or not able to go. Parents mentioned that we may wish to split the dance into a two night event so that more students could attend with their peers.

School Advisory Council Meeting

Kindness Week

Each grade level worked on a kindness challenge using \$100 from PTO to give back to the community. The humane Society, Sheriff's Department, and other organizations have been reaching out to say thanks and look for ways to be involved.

Parent/ Teacher Survey

Audubon had low parental involvement on our parent survey that was emailed to parents. Teacher survey results should be available to share next meeting.

Book Purchase Guidelines

Media Specialist reviewed new book purchases from classrooms and library, explaining new spreadsheet including multiple reviews and information from professional journals. SAC reviewed the title, From Me to You by KA Holt and deemed it appropriate. All books on the March 2023 were approved by SAC.

Roll Forward Title I Funds

Title I will be making purchases to support academics and students in classrooms, decodable readers, chapter books for One Book, One School, phonics programs, student laptops, charging stations, 3 days of summer pay for title 1 to focus on critical needs assessment.
