The meeting was called to order at 5:04pm by co-chair Cheryl Chamberlain.

First item was the adoption of the agenda, and after asking the committee if there were any changes or additions, Holli Zander moved to approve, with Jayden Shaffer 2nd.

Item two was the school updates provided by Holli Zander. These updates included information about AP Biology's trip to the Indian River Lagoon, outcomes of band competitions, Junior Achievement, Bayside Track records broken, Math placing 2nd in Calculus & Statistics, hosting of the Band MPA's in the Bayside Theater, and our own teacher and coach, Danny Miller, being voted the "Heart of Brevard" this past week.

The third item was New Business:

- a. Review of minutes from last month was done. Mason Hutson moved to approve the minutes, Jayden Shaffer 2nd the motion and they were approved by unanimous vote.
- b. Treasurer's report given by Melissa Thomke. There were no updates to report.
- c. District budget report for next school year was handed out and explained by Bayside's bookkeeper, Leslie Rowland. Due to enrollment, there is has been a small increase of funds for next school year. Enrollment projection is at over 2100 per Principal Zander. Discussion included how the funds are allocated, rolled over, etc. Committee member questions included how we get our school's SAC funds, and Mrs. Rowland explained how the funds given to teachers each year are now through ClassWallet and anything teachers accept but do not used are put into the school SAC funds. After discussion, Melissa Thomke moved to approve next year's district budget, Mason Hutson 2nd, and the budget passed with unanimous approval.

There was also discussion that due to time restraints on spending, any other SAC fund requests should be in by the April 10th meeting to be sure they arrive in time, or they may have to wait until July/August.

- d. SAC Fund Requests
 1. Sarah Wresilo's \$590.81 request for binders, notebooks, dividers and folders for her new AP European History course next year was unanimously approved. Due to the dense nature of the material and course, this request aligns with Bayside's reading and comprehension goals. Motion to approve was made by Cheryl Chamberlain with Jayden Shaffer 2nd.
 2. Stuart Duvall's \$300 request for rolls of universal bond paper was motioned by co-chair Cheryl Chamberlain put on hold, as there were member questions regarding

CTE funds available for the purchase, as well as Mr. Duvall not being present to field questions for committee members.

The floor was opened to public comment and there were questions if there would ever be a leadership type course (much like AVID) for students to take during the school year. There was also discussion how students would like to see more pep rallies to pave the way toward more engagement and school spirit.

Cheryl Chamberlain reminded the committee that the next meeting will be on Wednesday, April 10th at 5pm in the Media Center.

With no other business to discuss, Cheryl Chamberlain moved to end the meeting, and Jayden Shaffer 2nd. The meeting was adjourned at 5:35pm.
