Dear Parents,

Thank you all who helped us celebrate Lights on After School. The children had a lot of fun making our light bulbs and doing our light bulb challenge.

We have dozens of fun and exciting activities planned, and my team looks forward to engaging your children.

Be on the lookout for the fun and educational crafts we will be sending home, as some of them may be delicate!

Please do not hesitate to contact me with any questions or concerns! Happy Thanksgiving Month!!

The Brevard After School programs have a Facebook page that you can follow and see pictures of all the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

## Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials

Live so that when your children think of fairness, caring & integrity, they think of you. —H. Jackson Brown Jr.
