Partner Today! 

Brevard Public Schools Internship Program is seeking business partners for internship placement sites for students

## Employer Benefit

**Develop Your Talent Pipeline**  
Internship opportunities provide businesses with talent they seek and students with career experience

**Test Drive Talent**  
Provides opportunities to gauge skills and growth potential

**Bridge Skills Gaps**  
Many of our Career & Technical Education students have earned industry certifications in their field of study and bring hands-on experience

**Placement Areas of Focus:**

- Machining*
- Healthcare*
- Digital Design/Media*
- Technical Design*
- Automotive*
- Hospitality*
- Construction*
- Engineering*
- HVAC*
- TV Production*
- Business & Finance*
