CAREER AND TECHNICAL EDUCATION IS EDUCATION FOR EMPLOYMENT.

And that's important—whether you plan to go to work after high school, after one or more years of college, after an associate's or bachelor's degree or even after an M.B.A., M.D. or Ph.D.! You should think over the benefits of adding one or more CTE courses to your high school educational program. And concentrating in a technical field will do wonders for your future career.

ACT NOW!

Choose your CTE program and begin Gold Seal Scholarship eligibility—the right mix of high academic standing and technical experience. Gold Seal, a component of the Florida Bright Futures Scholarship program, rewards students for academic and technical achievements during high school by providing funding to pursue postsecondary education and career goals in Florida.

Florida Gold Seal CAPE (GSC) scholarship rewards students who earn a minimum of five (5) postsecondary credit hours through Industry Certifications which articulate college credit.

Every student will graduate from high school prepared to enter and be successful in the workplace, in further career education, and/or in postsecondary degree opportunities.

Our Mission is to serve every student with excellence as the standard

MISSION STATEMENT

Reasonable accommodations are available for persons with disabilities to complete the application and/or interview process. Applicants and/or individuals with disabilities requesting accommodations under the Americans with Disabilities Act (ADA) may contact the Director of Professional Standards and Labor Relations for assistance. Educators are required to follow the Principles of Professional Conduct of the Education Profession in Florida (State Board of Education Rule 6B-1.006, FAC). To report alleged educator misconduct, contact Dr. Beth Thedy, Deputy Superintendent and Chief Human Resources Officer, at (321) 631-1911, ext. 11200 or Thedy.Beth@BrevardSchools.org.
