FAFSA

[HTTPS://STUDENTAID.GOV/H/APPLY-FOR-AID/FAFSA](https://studentaid.gov/h/apply-for-aid/fafsa)

- School Counselors/ESOL Contact/Teacher can help you complete your application
- Start the process early.
- Make a connection with the Financial Aid Office at each college where student is interested in meeting.
 - ASAP – AS SOON AS POSSIBLE
 - The Financial Aid Office at the college campus has more resources than what appears at first glance.

SOMETIMES FAFSA DOESN'T TELL THE WHOLE STORY...

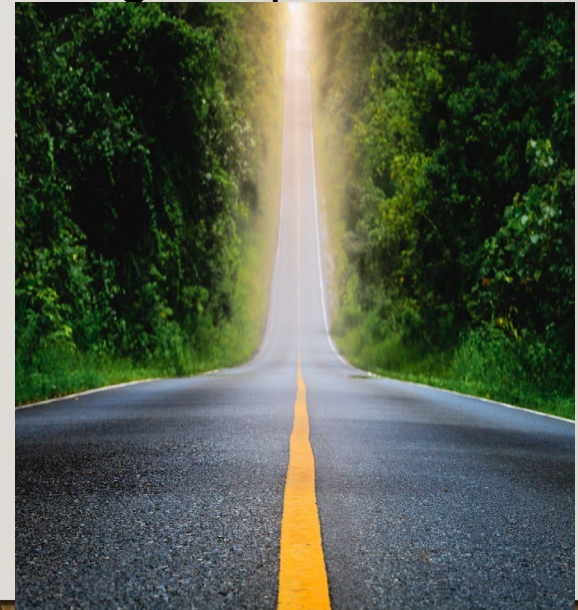

- What do I do if my family has an income change after the FASFA is completed?
- What if my family's income stayed the same, but our expenses went up dramatically due to an emergency situation, medical, etc.?
- What if I am unable to provide information about my parents?
- What if I want to appeal the amount that the FASFA application said I would be receiving?
- What if I have become homeless?
