Hey class!!! There may be days when I may feel under the weather and will be absent from school. On those days, I expect the entire class to be on their best behavior for the Substitute Teacher, ***and remember that good behavior will be rewarded.***

Maybe a small class party or something.

But, just in case you choose to not participate or become disruptive during any of the assignments today, this is what will happen:

1. First the substitute teacher will warn you about your negative behavior or lack of cooperation.
2. If your negative behavior continues, you will receive a zero for that particular assignment & detention.
3. If you refuse to behave and/or fail to complete the assignment you will be sent to the Dean.

Please print and sign your name below stating that you understand and will follow The Substitute Teacher Clause.

Thanks for being such an awesome class!
Have a great day!
