A message from a SurgeryPlus® member

“ I had a total knee replacement in late 2020 using the SurgeryPlus® benefit. The whole process went very smoothly, the appointment scheduling was quick and convenient for me. My Care Advocate was very accommodating and helpful! Talking with her was always a pleasure. In addition, I was very impressed with the surgeon I chose, a true expert in his field. I couldn't have picked a better knee surgeon had I done the research myself! I would absolutely recommend the service to my family, friends and coworkers. Five stars, 10/10! - SurgeryPlus® member ”
