Termination of Home Education

Before You Terminate

Students enrolled in the Home Education Program, who plan to return to a traditional school setting or enroll in a full-time virtual program must complete the Home Education termination process. This process includes submitting the required documentation to the student's assigned neighborhood school.

Reasons for Termination

1. Completion (graduation) of the Home Education Program
2. Enrollment into a district school
3. Moving out of county
4. Moving out of state
5. Personalized Education Program

Required Documentation for ALL Terminations

1. Home Education Termination Notice
2. Annual Evaluation (for the current school year)
