Dear Parents,

Thanks to all of you who helped us celebrate *Lights on After School*. Students had a lot of fun making light bulbs and doing a light bulb challenge.

Group leaders are preparing dozens of fun and exciting activities for students for the upcoming weeks, including crafts that will be sent home. Be on the lookout because some of them may be delicate. Please encourage your child to participate fully in the activities planned. As always, thank you for your support.

Please do not hesitate to contact me with any questions or concerns.

Happy Thanksgiving Month!

The Brevard After School programs have a Facebook page that you can follow and see pictures of all the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

## Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials

Live so that when your children think of fairness, caring & integrity, they think of you. —H. Jackson Brown Jr.
