Apollo Elementary

PRINCIPAL:
Aimee DiLago

Grades: K-6

Enrollment:
616

Mission: We launch every student to lead their own learning by building habits and making a difference starting today.

Vision: Our school is a launchpad for leaders. We grow habits that build confidence, responsibility, and kindness, helping all students to lead at school and in life.

Noteworthy

- Leader in Me School: We've adopted a whole-school transformation model developed by FranklinCovey, based on **Stephen R. Covey's** book *The 7 Habits of Highly Effective People*. The goal is to empower students with leadership and life skills that promote academic success, personal responsibility, and a strong school culture.
- Moon Tree

Academic Excellence

Apollo is comprised of a collaborative team of outstanding instructional members with multiple advanced degrees to meet the needs of all our students while setting high expectations in a warm, loving, and accepting learning environment.

- *Purple Star of Distinction*

Describe the culture of Atlantis Elementary:

Our theme is LEVEL UP! L.E.V.E.L. U.P. = Learn, Engage, Value Effort, Elevate, Lead, and Understand

LEARN: Emphasize the importance of continuous learning and curiosity, no matter where students are academically. Encourage them to be lifelong learners.

ENGAGE: Promote active participation in class, school activities, and the learning process. Engage with materials, peers, and teachers to strengthen their academic and social skills.

VALUE EFFORT: Reinforce the idea that growth comes from hard work, perseverance, and resilience. Celebrate effort, not just achievement, and emphasize the value of overcoming challenges.

ELEVATE: Encourage students to elevate their expectations and goals. Whether it's pushing themselves academically, socially, or emotionally, it's about striving for excellence.

LEAD: Empower students to take ownership of their learning, behavior, and personal growth. They can lead by example, encouraging others to level up as well.

UNDERSTAND: Encourage deeper understanding and critical thinking. Help students move beyond memorization and focus on applying knowledge in real-world contexts.

PERSEVERE: Reinforce the importance of resilience and determination when faced with setbacks. Let students know that it's okay to struggle, but they must keep going and keep improving. Perseverance is key!

Audubon Elementary

PRINCIPAL:
Candace Jones

Grades: PreK-6

Enrollment:
425

Mission: To create a community of empowered life-long learners in an atmosphere of mutual respect and trust.

Vision: Create a partnership of students, parents, staff, and community. Our student-centered environment ensures that each learner will have the opportunity to soar to higher levels.

Academic Excellence

Based on the 2024-2025 FAST: Audubon is a "B" school, missing an A by 1 point, so this year we are "Leveling Up"

- ELA proficiency is above the district and state
- Math Proficiency is above the district and state
- Third grade proficiency is above the district and state
- ELA and Math learning gains are above the district and state

Noteworthy

- PBIS school where all students are held to high expectations to SOAR to rigorous levels of academic achievement
- Caring Schools: Social Emotional Curriculum utilized in all classrooms
- All students receive free breakfast and lunch daily

Describe the culture of Challenger 7 Elementary :

Challenger 7 is a special place where every child is known, valued, and celebrated. From the moment your child walks through our doors, they will do more than grow academically—they will develop confidence, character, and the skills needed to become compassionate, well-rounded citizens.

We believe the elementary years are a truly remarkable chapter in a child's life. While building a strong academic foundation is essential, these years are also about creating lasting memories, discovering passions, forming meaningful friendships, and fostering a lifelong love of learning. At Challenger 7, we are committed to ensuring every child leaves not only prepared for future success, but with experiences and relationships they will cherish for years to come.

Christa McAuliffe Elementary

PRINCIPAL:
Victoria Finsted

Grades: K-6

Enrollment:
690

Mission: Empower students by challenging them to achieve their personal best each day.

Vision: To attain excellence by encouraging responsible, independent, lifelong learners.

Academic Excellence

- In 2023, outperformed the district and state in students scoring at or above proficiency in Science.
- In 2024, outperformed the district and state in learning gains in ELA and Math.
- In 2024, outperformed the district and state in learning gains for the bottom 25% in ELA and Math.
- 58 instructional staff - 25 with advanced degrees

Noteworthy

Our school is proud to announce that 95% of our classrooms are now equipped with Promethean boards, enhancing interactive learning experiences for our students. Additionally, we have achieved a 1:1 technology ratio for PreK-6th grade, ensuring each student has access to their own device, fostering personalized and engaging educational opportunities. To further prioritize safety, we have installed window covers on all doors, enhancing security and providing peace of mind for students, staff, and parents alike. Together, these advancements are creating a more dynamic, secure, and supportive learning environment for our community.

Describe the culture of Discovery Elementary:

I am so excited to be the next principal at Discovery Elementary. As a resident of Palm Bay, I am proud to serve the community I live in. From the moment I stepped on the campus, I was greeted with warmth and support. Discovery is a place where students and staff feel safe and loved by those around them. The inclusive school culture recognizes and respects the unique talents and abilities our students bring to the learning environment. Relationships are at the heart of everything we do at Discovery. These relationships help us develop lifelong learners by engaging students through highly effective instructional practices, complex content, and empowering learning opportunities in an environment that is safe, inclusive, and committed to excellence. Can't wait to meet you at Discovery! - Christine Rosado, Principal

Endeavour Elementary

PRINCIPAL:
Catherine Murphy

Grades: PK-6

Enrollment:
706

Mission: Building a legacy of success.
Vision: Teachers dedicated to academic excellence by planning clear, aligned learning targets, prioritizing differentiated instruction, utilizing high quality materials and fostering a culture of growth, engagement, and achievement for all. Teachers create an environment that empower students to thrive by implementing systems that support structure, maintaining high expectations, and holding students accountable.

Noteworthy

- **Certified UCF Community Partnership School** – Endeavour Elementary is one of only five schools in our State to have met the rigorous requirements for certification. In the community partnership model, core partners come together to meet the overall needs of the community.
- **Core partners include:** Brevard Public Schools, University of Central Florida, Eastern Florida State College, Brevard Health Alliance, City of Cocoa and the Children's Home Society.
- Only School in Brevard with a Brevard Health Alliance Pediatric Clinic onsite providing medical and dental services.
- Our HUB is the heartbeat of our Community Partnership School. Families have access to our Wellness Coordinator, Head Start Family Advocate, Family and Community Engagement Coordinator, and our Community Partnership Director.

Academic Excellence

- 2023-24 Endeavour had its highest test scores in 15 years!
- 2023-24 Endeavour increased our overall school grade by 101 points, earning a letter grade of a "C".
- Over 65% of Endeavour's students in the bottom quartile made learning gains in reading and math for the 2023-24 school year.
- In 2024, Endeavour was one of only 5 schools chosen throughout the state to receive a $50,000 grant from FPL to improve our STEM lab.

- *2019–2020 Partner in Education Non-Profit Partner of the Year (CHS at Endeavour Elementary)*

Special Programs or Activities

- **21st CCLC* –** Available to students in K-5. We offer 1.5 hours per day of academic support provided by certified teachers.
- **STEM Engagement Opportunities** - We provide our students with a variety of extracurricular STEM opportunities. Teams are formed yearly to compete in the Innovation Games: Shark Tank challenge, drone racing, underwater drone racing, and so much more! Other events include Destination Mars team, Girls in STEM, and Science Super Saturday program.
- **Saturday School-** we offer students additional academic instruction for Reading, Math, and Science. Students engage in a variety of creative tasks that enrich their learning.
- **Zoo School-** 5th grade students spend a week at the Brevard Zoo. Teachers provide instruction that is connected to activities and exploration of zoo exhibits.
- **Summer STREAM camp-** students spend their days exploring everything from robotics to gardening to yoga and more!

Describe the culture of Endeavour Elementary:

At Endeavour Elementary, we believe in the power of connection and community. As a Community Partnership School, our families and students have access to wrap around services designed to improve health, wellness, and academic achievement. We are dedicated to creating a culture of connection to ensure our students are successful and motivated to be the best learner they can be.

Describe the culture of Lewis Carroll Elementary:

At Lewis Carroll Elementary School all staff are committed to serving every student with excellence as the standard. We provide every student with a safe learning experience, standards aligned curriculum and activities, and a supportive environment which encourages students to take risks and learn from their mistakes. We expect the highest standard of academic performance in all areas, including reading, writing, math, science, social studies, as well as overall character. At Lewis Carroll we take pride in building who we are as learners and build the characteristics that will ensure students are successful in the workplace. This includes how to resolve conflicts, work collaboratively with others, contribute in meaningful ways, as well as becoming a critical thinker.

Describe the culture of University Park Elementary:

UPE is a school where head and heart connect for learning, the culture is rooted in both academic excellence and emotional well-being. Students are encouraged to think critically and creatively while also developing empathy, resilience, and a strong sense of community. Teachers nurture not only minds but also relationships, creating safe spaces where every voice is valued and every learner feels seen. Leadership models compassion and integrity, fostering a shared vision where intellectual growth and emotional intelligence go hand in hand. In this environment, learning becomes a joyful, meaningful journey that prepares students to thrive both in school and in life.

Viera Elementary

PRINCIPAL:

Adrienne Schwab

Grades: K-6

Enrollment:
952

Mission: Viera Elementary will work collaboratively with all stakeholders to provide social, emotional and academic growth for students through engaging learning opportunities that promote critical thinking and problem solving.

Vision: Preparing every student, every day to achieve success academically, while nurturing social and emotional growth for their present and future.

Noteworthy

- GSP students in grades 3-6 showcased their Energy Whiz at the Florida Solar Energy Center. Students competed in one of three categories: Solar Energy Cook Off, Critter Comfort Cottage, or Energy Inspired Art. 5th grader Emily Nguyen won first place for her Energy Inspired Art and Best in Show!
- Viera Elementary's Destination Moon team took 1st Place Overall in the LEGO Spike Prime Mission, competing against 58 amazing teams of 5th and 6th graders across the district!
  5th graders, our Odyssey of the Mind team had an incredible season. The majority of this group has been together since 3rd grade, and each year they've worked hard to improve — and it shows! They earned first place at their regional competition along with a perfect score on their spontaneous problem. At the state competition, they placed fourth overall and earned a near-perfect score in spontaneous, finishing just one spot away from qualifying for the World Finals. Their fourth-place finish was also the highest placement of any Division 1 team representing the Space Coast at states this year
- Five 5th graders and ten 6th graders competed against 9 other BPS Moon Teams and took home out of the 6 missions, five 1st place awards and one 2nd place award! The Falcon Eclipse took the TOP OVERALL Score
- Viera Elementary completed and opened our very own track for students to utilize during PE, morning mile, cross country club, Fun Run and other activities.

Academic Excellence

- A Rated School
- 90% Science Proficiency on 2025 State Assessment
- Scored in the top 5 elementary school sin Brevard County for the 2025 school year on the FAST assessment

Describe the culture of Kennedy Middle School:

John F. Kennedy Middle School stands as a beacon of excellence, embodying a legacy of achievement and dedication. Its status as a model Cambridge International School further reflects its unwavering commitment to academic rigor. The school's success also extends beyond the classroom, with a highly awarded athletics program that demonstrates the well-rounded opportunities available to students.
KMS cultivates a school culture where educators bring a deep passion for education and a commitment to creating a strong sense of belonging for every student. Teachers are not only academic guides but also champions for student growth, inclusion, and community connection.

PRINCIPAL:
Timothy Powers

Grades: 7-12

Enrollment: 1004

Mission: Every student, every day.

Vision: Equipping students with skills to navigate the future.

Noteworthy

Our International Baccalaureate Programme offers students the opportunity to experience challenging, university-level coursework and earn an international diploma. There are over 3,000 schools in 146 countries across the globe that participate in this program. To earn the diploma, students must demonstrate mastery on assessments in multiple disciplines. Our performance in this program consistently surpasses other IB schools around the world.

Academic Excellence

The U.S. News and World Report named Cocoa Beach one of the “Nation’s Best High Schools” in 2025. The award is based on the number of students who demonstrated outstanding outcomes above expectations in state assessments and scored top marks in college-level coursework such as International Baccalaureate and Advanced Placement examinations. Cocoa Beach consistently achieves this designation.

Describe the culture of Cocoa Beach Jr./Sr. High:

Cocoa Beach is a destination school, providing countless opportunities for students to grow through academics, athletics, the arts, and various clubs and organizations. Our incomparable International Baccalaureate Programme delivers rigorous curriculum and our CTE courses are designed to catapult our students to success after high school with real-world skills. Whatever path our students take, they are supported, and all are able to find success at The Beach!

Describe the culture of West Shore Jr./Sr. High:

"Surround yourself with the dreamers, and the doers, the believers, and thinkers, but most of all, surround yourself with those who see the greatness within you, even when you don't see it yourself."
