Work calendars for all employees may be accessed in the Cross Pointe system on the H138 panel Calendar Definitions. The calendar type code for the individual employee type must be entered in the space after CAL then enter the month and the year. Once these 3 entries are made the work calendar and the employee description will show on the panel. The workdays are numbered beside the day of the month. Holidays are indicated with an 'H'. Non-working days are indicated with an 'N'. The days of service for each position begins with the number of paid days in the established work year and is in descending order with the last day of service numbered as one (1).
