## ESE PARENT SURVEY

*The 2025 -2026 ESE Parent Survey window is now open! Each year, the Florida Department of Education (FDOE) surveys parents of children with an Individual Education Plan (IEP) to determine how well districts and schools are partnering with parents and promoting parent involvement in their children's education. Survey results will be used to help schools and districts improve services and results for children with disabilities. This survey is open to all parents of children with an IEP receiving ESE services from preschool age through grade 12. While demographic information must be collected in compliance with federal requirements, individual responses are confidential.*
