Special Programs or Activities

- VES's Kindness Club partnered with a Falcon parent, Jen Peters with Keller Williams Platinum Group to help support the West Coast community impacted by Hurricane Ian with donations
- The Viera Falcons RoboPuffins Robotics Team earned the opportunity to compete at the Florida FIRST Lego League Regional Competition. Congratulations on a fantastic rookie season!
- Thomas Carlisle took a wild idea and made it a reality. After seeing an AR Sandbox on UCF's Geo Bus, we thought it would be great for our students to have one of our own! Thomas researched, priced out, and presented his proposal to PTO to fund the project. After months of construction and coding, he has successfully brought a new hands-on learning component to the Viera STEM Lab for all students to enjoy.
- STEM Club, Morning Mile, Lego League, Kindness Club Cross Country
- In November, students had the opportunity to participate in FDOT's Mobility Week Bike Safety Contest. Viera had two winners again this year! These students' bike safety designs were chosen to be installed here on our campus.

Awards & Recognitions

- Outstanding Educational Accomplishments in Bicycle & Pedestrian Safety Award
- 8 students place in the North Regional Science and Engineering Fair
- Bright Ideas Grant

Describe the culture of Viera Elementary:

The culture at Viera Elementary is positive, collaborative and innovating! We provide a hands on approach to learning for all students. Family and community partnerships are an important piece of the school culture.
