CTE-EPO CHOICE CAREER ACADEMIES SY 2024-2025

Career academies are small, personalized learning communities within a high school that integrate rigorous core academic subjects with career and technical courses. The career academies listed below are open to CTE-EPO students and require a Career Academy application as well as a EPO application. Please contact the high school's career academy coordinator for more information about specific career academies and to request an application.

IMPORTANT: Students who CHOICE to a career academy must attend the requested school as a full-time student and must maintain their enrollment in all designated career academy cohort classes.
