Bank of America Student Leaders Program - 11th & 12th Graders

Every year, more than 300 young people from nearly 100 communities are accepted into the Student Leaders program. They get first-hand experience in serving their communities through a paid eight-week summer internship with nonprofits in their local community like the Space Coast Health Foundation, United Way of Volusia Flagler, local food banks, Habitat for Humanity and more. They also get to see how nonprofits, governments and businesses collaborate to meet local needs by participating in the national Student Leaders Summit in Washington, D.C. Through these internships and participation in the Summit, they gain practical work and life experience. Through connecting with each other they learn about the experiences of others, diversity of thought and how we can all work together to create a more just world. High school juniors and seniors may apply for the program using the link below. The deadline is January 17, 2024.
