These forms were distributed/collected at Orientation. If you have not already submitted your acknowledgement form, please access it at the link above and then return it via email to BrevardVirtual@brevardschools.org.

Parent Consent to Add a Nickname to Focus

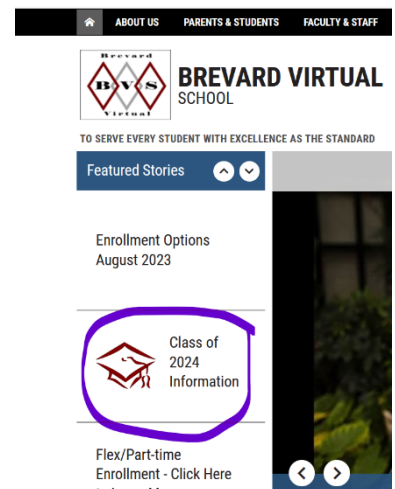

Florida Statute 1000.71 provides the authority of the State Board of Education to adopt rules to implement statutes. In June 2023, the Florida State Board of Education approved changes to Rule 6A-1.0955 stating that districts will adopt policy and procedures to address “provisions for parents to specify the use of any deviation from their child’s legal name in school. School districts will develop a form to obtain parental consent along with any required documentation, as appropriate.” Parents/Guardians who would like to provide consent for the use of a name other than the legal name, who have not already submitted a form, may submit the form at any time via email to BrevardVirtual@brevardschools.org. You may access the form [HERE](#).

The information must be provided electronically or in hard copy and must include local options for age-appropriate water safety courses and swimming lessons that result in a certificate indicating successful completion, including courses and lessons offered for free or at a reduced price. If the student is 18 years of age or older, or is under the age of 21 and is enrolling in adult education classes, the information must be provided to the student. History.—s. 9, ch. 2021-35.
