Attention Dual Enrollment Students

If you are taking courses at Eastern Florida State College, please be aware there is a new registration process for the spring term. Students in the Early College program will have a priority registration date of October 23rd. All other dual enrollment students will begin registration November 6th. The last day to register for a spring EFSC class will be November 17th with Drop/Add available ONLY December 4th thru December 14th. If a student drops a class in January during the first week of classes at EFSC, no course can be added.

Please pay attention to these deadlines as they are not flexible. Counselors will be emailing students with the detailed registration instructions and dates in the coming weeks.

We at BVS want to ensure all eligible students have the opportunity to take courses at EFSC so please reach out to your counselor with any questions.

Application Window Opens for Full-Time BVS

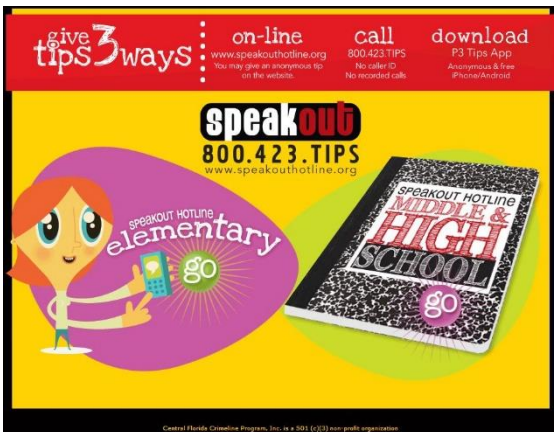

We are accepting applications for new full-time students to join our school in January 2024. If you have another child you are interested in enrolling into BVS or you are a Home School Eagle family and you wish to transition to our full-time program, please contact our office for next steps.

Changing Plans for January 2024?

If you are planning to move to another school in January 2024, please reach out to your BVS guidance counselor so they can assist in ensuring a smooth transition. Of course, we hope to keep all of our students at BVS, but we understand when your needs and plans change.

BVTV Weekly Announcement Reminder

We ask for your assistance in reminding your student to watch the announcements each week on their homeroom page. Parents/Guardians are also encouraged to view the announcements each week [HERE](#). Parent Consent to Add a Nickname to Focus

Florida Statute 1000.71 provides the authority of the State Board of Education to adopt rules to implement statutes. In June 2023, the Florida State Board of Education approved changes to Rule 6A-1.0955 stating that districts will adopt policy and procedures to address “provisions for parents to specify the use of any deviation from their child’s legal name in school. School districts will develop a form to obtain parental consent along with any required documentation, as appropriate.” Parents/Guardians who would like to provide consent for the use of a name other than the legal name, who have not already submitted a form, may submit the form at any time via email to BrevardVirtual@brevardschools.org. You may access the form [HERE](#).
