# PROJECT RED TOPIC DEVELOPER

What is the problem (named) that ails your community (named)?

Why are you passionate about this?

List two possible causes of the problem.

Who or What is effected most by this problem? Why?

What are some possible solutions?

**If a solution were found, how would your community improve?**

Now that you have selected a "realistic" topic, what are the first steps in your action plan to solve the problem? Does it involve building awareness in the community or perhaps inventing a product?
