STEM Night, 5:00 - 7:00 pm

The Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA), requires that a Local Educational Agency prepare and disseminate an annual Local Educational Agency report card and provide information on state, local, and school performance and progress in an understandable and uniform format.

District and School grades provide an easily understandable way to measure the performance of a school. Parents and the public can use the grades and their components to understand how well each district and/or school is serving its students. District and school grades for the 2022-2023 school year serve as an Informational Baseline using the new assessment cut scores.
