DeLaura Middle School Awards Overview

At DeLaura Middle School, we are proud to recognize and celebrate the achievements, character, and commitment of our students through a variety of awards. Each honor reflects the dedication and excellence demonstrated by our students during their time at DeLaura. Below is an explanation of each award and the selection process.

Quarterly Honor Roll Certificates

Students who achieve A Honor Roll (all A's) or A/B Honor Roll (combination of A's and B's) each quarter receive a certificate recognizing their academic achievement. These certificates are distributed each quarter throughout middle school and are not part of the annual awards ceremony.

8th Grade Academic Awards

As students complete their final year at DeLaura, we recognize sustained academic achievement over the course of their middle school journey with the following awards:

Scottie Award: Presented to 8th grade students who have earned A/B Honor Roll every quarter throughout their time at DeLaura Middle School.

Academic Excellence Award: Presented to 8th grade students who have achieved all A's every quarter during their middle school years.

DeLaura Awards Ceremony Honors

During our annual DeLaura Awards Ceremony, each teacher can recognize two students from each course who stand out in their classrooms. These honors reflect both character and academic dedication:

Scottie Spirit Award: This award is presented to students who consistently embody DeLaura's core values of respect, honesty, kindness, and hard work. Each department selects one student who exemplifies these values in the classroom.

Pursuit of Knowledge Award: Given to students who demonstrate outstanding academic performance and a genuine passion for learning in a specific subject area. Teachers select students who show curiosity, persistence, and excellence in their academic pursuits.

Special Awards

Various athletic teams, clubs, and school programs present Special Awards at their discretion. These awards recognize student contributions, leadership, dedication, and excellence within specific extracurricular or enrichment activities.

DeLaura Middle School Awards Overview

Principal's Award

The evening concludes with the Principal's Award, a prestigious honor that recognizes an 8th grade student who exemplifies the highest standards of achievement, character, and contribution to DeLaura Middle School.

Selection for this award is based on:
- Academic achievement
- Positive character and leadership
- Consistent performance
- Meaningful contributions to school life

To select the recipient, input and recommendations are gathered from faculty and staff, ensuring thoughtful consideration of the many outstanding students at DeLaura.

These awards represent the best of DeLaura Middle School—our commitment to academic excellence, strong character, and community spirit. We are proud of every student's achievements and look forward to celebrating their success.
