PSAT 8/9 TESTING

Prepare for your future with a SAT practice test.

THURSDAY | MARCH 6, 2025

DURING THE SCHOOL DAY

The PSAT 8/9 is a practice test designed for 8th and 9th graders to measure their knowledge and skills they are learning in school which are needed to succeed in college. The PSAT 8/9 will test reading, writing, and math by using grade appropriate questions.

The PSAT test is used to:

1. Receive feedback on students 'strengths and weaknesses on skills necessary for high school course readiness, as well as college and career readiness.
2. Provide feedback through AP Potential which lets you know which Honors and AP courses your child might be ready to take in high school.
3. Help prepare your child for the SAT. Your student can become familiar with the kinds of questions and the exact directions he/she will see on the SAT.

The cost of the test is \$15.00. Spaces are limited to the first 80 students to sign up and pay. To reserve your spot, return \$15.00 cash or check with completed form to the front office or to Mrs. Terry in Room 218. If you have any questions, you may reach Mrs. Terry at terry.candacem@brevardschools.org or Ext. 31619.

PSAT 8/9
